**Re: Manhole Rehabilitation**

**Town Council Meeting – June 13, 2023**

---

**Agenda Item:**

Consider and act upon approving the purchase of manhole rehabilitation services from Fuquay, Inc., through the Texas Local Government Purchasing Cooperative; and authorizing the Town Manager to execute documents for the same.

**Description of Agenda Item:**

Due to recent smoke testing projects and camera inspections, staff has located nine (9) manholes in need of rehabilitation because of Hydrogen Sulfide damage, which is corrosion from a toxic gas. The manholes are located on the gravity mainline on Pasewark Circle, in Stone Creek subdivision, and on the southwest corner of Preston and Prosper Trail.

Local governments are authorized by the Interlocal Cooperation Act, V.T.C.A. Government Code, Chapter 791, to enter into joint contracts and agreements for the performance of governmental functions and services, including administrative functions normally associated with the operation of government (such as purchasing necessary materials and equipment).

In June 2005, the Town of Prosper entered into an Interlocal Participation Agreement with the Texas Local Government Purchasing Cooperative. Participation in the cooperative purchasing program allows local governments to purchase goods and services from the cooperative's online purchasing system, BuyBoard, while satisfying all competitive bidding requirements.

**Budget Impact:**

The total price is \$44,928.00 and will be funded from System Improvements, account number 200-5670-50-03.

**Legal Obligations and Review:**

Terrence Welch of Brown & Hofmeister, L.L.P., has approved the attached documents as to form and legality.
