Dear Mr. Jefferson,

I am pleased to inform you that the Department of Commerce's Economic Development Administration (EDA) has approved your application for a \$360,000 EDA investment to support the Prosper Subregional Broadband Assessment & Strategy project.

Enclosed is the Financial Assistance Award. To accept the grant award, please sign the Financial Assistance Award document. Your signature may be completed either electronically with a secured system or in ink. The executed document must be returned electronically to Lissette Villarruel at [lvillarruel@eda.gov](mailto:lvillarruel@eda.gov). Your signature indicates your acceptance of the terms and conditions for the grant award. If not signed and returned within 30 days of receipt, EDA may declare the Award null and void.

Please do not make any commitments in reliance on this award until you have carefully reviewed and accepted the terms and conditions. Any commitments entered into prior to obtaining the approval of EDA in accordance with its regulations and requirements will be at your own risk.

EDA's mission is to lead the federal economic development agenda by promoting innovation and competitiveness, preparing American regions for growth and success in the worldwide economy. EDA implements this mission by making strategic investments in the nation's most economically distressed communities that encourage private sector collaboration and creation of higher-skill, higher-wage jobs. EDA investments are results-driven, embracing the principles of technological innovation, entrepreneurship and regional development.

I share your expectations regarding the impact of this investment and look forward to working with you to meet the economic development needs of your community.

Sincerely,

A handwritten signature in black ink, appearing to read "Jorge D. Ayala".
