Re: Fiber Relocation – Public Works Site

Town Council Meeting – June 24, 2025

**Strategic Visioning Priority: 1. Acceleration of Infrastructure
4. Provide Excellent Municipal Services**

Agenda Item:

Consider and act upon authorizing the Town Manager to execute a contract between TDC2, L.L.C., and the Town of Prosper, Texas, related to relocating the fiber network infrastructure located on the Public Works site in an amount not to exceed \$76,621.

Description of Agenda Item:

The fiber cable servicing Public Works, Prosper Police Department, Prosper 911 Dispatch, and Prosper Central Fire & Admin runs through the parking lot of the Public Works facility and part of that cable run is in an area slated to be disturbed by site work for the new structure(s) being built. In order to prevent an interruption in network connectivity at the above-mentioned facilities, the fiber run needs to be permanently relocated to the right-of-way. The project will utilize an ILA with the City of Frisco to use contract 2408-120.

Budget Impact:

The cost of the relocation project is \$76,621 and will be funded from Public Safety Bond funds.

Legal Obligations and Review:

Terrence Welch of Brown & Hofmeister, L.L.P., has approved the attached documents as to form and legality.
