Re: Emergency Repair of Signalized Intersection at Frontier and DNT

Town Council Meeting – October 8, 2024

Strategic Visioning Priority: 4. Provide Excellent Municipal Services

Agenda Item:

Consider and act upon authorizing the Town Manager to execute documents for the emergency repair of the signalized intersection at Frontier Parkway and Dallas North Tollway for \$63,200.

Description of Agenda Item:

On Thursday, September 12th due to a motor vehicle accident, the signalized intersection at Dallas North Tollway and Frontier Parkway was damaged. Due to the severity of the accident, breaking one pole, knocking down two span wires with six (6) signal heads, and damage to the guardrail, staff called Texas Traffic LLC to have an emergency repair in order to re-open the intersection to traffic.

Budget Impact:

The cost of the emergency repair will be charged to Signal Light Repairs, 100-5321-50-01. Since this damage was caused by a motor vehicle accident, a claim against the driver's insurance policy will be submitted for reimbursement.

Legal Obligations and Review:

Terrence Welch of Brown & Hofmeister, L.L.P. has approved the attached documents as to form and legality.

Attached Documents:

1. Invoice/Quote Number 2400917 from Texas Traffic LLC

Town Staff Recommendation:

Town Staff recommends that the Town Council authorize the Town Manager to execute documents for the emergency repair of the signalized intersection at Frontier Parkway and Dallas North Tollway for \$63,200.

Proposed Motion:

I move to authorize the Town Manager to execute documents for the emergency repair of the signalized intersection at Frontier Parkway and Dallas North Tollway for \$63,200.
