Strategic Visioning Priority: 4. Provide Excellent Municipal Services

Agenda Item:

Consider and act upon a resolution suspending the July 31, 2025, effective date of Oncor Electric Delivery Company's requested rate change to permit the Town time to study the request and to establish reasonable rates; approving Cooperation with the Steering Committee of Cities Served by Oncor to hire legal and consulting services and to negotiate with the company and direct any necessary litigation and appeals; finding that the meeting at which this resolution is passed is open to the public as required by law; and requiring notice of this resolution to the company and legal counsel for the Steering Committee.

Description of Agenda Item:

The Town, along with 170 similarly situated cities served by Oncor Electric Delivery Company, is a member of the Steering Committee Served by Oncor. On or about June 26, 2025, Oncor filed with the Town of Prosper a Statement of Intent to increase electric transmission and distribution rates effective July 31, 2025. The Town is a member of the Steering Committee of Cities Served by Oncor ("Steering Committee") and will cooperate with the 170 similarly situated city members and other city participants in conducting a review of Oncor's application and to hire and direct legal counsel and consultants and to prepare a common response and to negotiate with Oncor and direct any necessary litigation.
