

GENERAL NOTES

- FLOOD NOTE:** This property is located in **Non-Shaded Zone "X"** as scaled from the F.E.M.A. Flood Insurance Rate Map dated June 2, 2009 and is located in Community Number 480130 as shown on Map Number 48085C0115J. No 100-year floodplain exists on the site.
- NOTICE:** Selling a portion of this addition by metes and bounds is a violation of Town Ordinance and State Law, and is subject to fines and/or withholding of utilities and building permits.
- All interior property corners are marked with a 1/2" iron rod with a green plastic cap stamped "EAGLE SURVEYING" unless noted otherwise.
- The purpose of this plat is to final plat a lot created by a conveyance plat of record, and to dedicate easements for site development.
- The bearings and grid coordinates shown on this survey are based on GPS observations utilizing the AllTerra RTK Network, North American Datum of 1983 (Adjustment Realization 2011). Texas North Central Zone 4202.
- Landscape Easement shall be exclusive of other easements unless approved by the Town per this plat.
- LANDSCAPE EASEMENT:** The undersigned covenants and agrees that the landscape easement and restrictions herein set forth shall run with the land and be binding on the owner(s) of the property in this subdivision, their successors and assigns, and all parties claiming by, through and under them. In the event a Replat is requested on all or part of this property, the Town may require any similar or additional restrictions at its sole discretion. The sole responsibility for maintenance and replacement of landscape materials thereof shall be borne by any "homeowners" association hereafter established for the owners of lots in this subdivision and/or the owner of the individual lots within this subdivision. Such maintenance and replacement shall be in conformance with the requirements, standards, and specifications of the Town of Prosper, as presently in effect or as may be hereafter amended. This provision may be enforced by specific performance or by any other remedy allowed by law. This Landscape Easement shall be void of utilities and other elements unless otherwise approved on the plat.
- FIRE LANE EASEMENT:** The undersigned covenants and agrees that he (they) shall construct upon the fire lane easements, as dedicated and shown hereon, a hard surface paved in accordance with Town standards and that he (they) shall maintain the same in a state of food repair at all times and keep the same free and clear of any structures, fenced trees, shrubs, or other improvements or obstruction, including but not limited to the parking, loading, or unloading of motor vehicles, trailers, boats, or other impediments to the access of fire apparatus. The maintenance of pavement in accordance to Town standards of the fire lane easements is the responsibility of the owner, and the owner shall post and maintain signage in accordance to Town standards in conspicuous places along the fire lanes, stating "Fire Lane, No Parking". The police or their duly authorized representative is hereby authorized to cause such fire lanes and utility easements to be maintained free and unobstructed at all times for fire department and emergency use.
- ACCESS EASEMENT:** The undersigned covenants and agrees that the access easement(s) may be utilized by any person of the general public for ingress and egress to other real property, and for the purpose of general public vehicular use and access, and for the Fire Department, Police, and emergency use in along, upon, and across said premises, with the right and privilege at all time of the Town of Prosper, its agents, employees, workmen and representatives having ingress, egress, and regress in, along, upon, and across said premises.
- DRAINAGE AND DETENTION EASEMENT:** This plat is hereby adopted by the Owners and approved by the Town of Prosper (Called "Town") subject to the following conditions which shall be binding upon the Owners, their heirs, grantors, successors and assigns: The Portion of Block A, as shown on the plat is called "Drainage and Floodway Easement" and is the natural drainage channel across each lot. The existing creek or creeks traversing along the Drainage and Floodway Easement within the limits of this addition, will remain as an open channel at all times and will be maintained by the owners of the lot or lots that are traversed by or adjacent to the drainage courses in the Drainage and Floodway Easement. The Town will not be responsible for the maintenance and operation or said creek or creeks or for any damage to private property or person that results for the flow of water along said creek, or for the control of erosion. No obstruction to the natural flow of storm water run-off shall be permitted by construction of any type of building, fence, or any other structure within the Drainage and Floodway Easement or the natural drainage channels, as herein above defined. Provided it is understood that in the event it becomes necessary for the Town to erect or consider erecting any type of drainage structure in order to improve the storm drainage that may be occasioned by streets and alleys in or adjacent to the subdivision, then in such event, the Town shall have the right to enter upon the Drainage and Floodway Easement at any point, or points, to investigate, survey or to erect, construct, and maintain any drainage facility deemed necessary for drainage purposes. Each property owner shall keep the natural drainage channels traversing or adjacent to his property clean and free of debris, silt, and any substance which would result in unsanitary conditions or obstruct the flow of water, and the Town shall have the right of ingress and egress for the purpose of inspection and supervision of maintenance work by the property owner to alleviate any undesirable conditions which may occur. The natural drainage through the Drainage and Floodway Easement, as in the case of all natural channels, are subject to storm water overflow and natural bank erosion to an extent which cannot be definitely defined. The Town shall not be held liable for any damages of any nature resulting from the occurrence of these natural phenomena, or resulting from the failure of any structure or structures, within the natural drainage channels. Building areas outside the Drainage and Floodway Easement line shall be filled to a minimum elevation as shown on the plat. The minimum floor elevation for each lot shall be as shown on the plat.

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

THAT **DNT FRONTIER, LP**, does hereby certify and adopt this final plat designating the herein described property as **FRONTIER RETAIL CENTER REVISED, BLOCK A, LOT 1**, an addition to the Town of Prosper, and do hereby dedicate to the public use forever, the streets and alleys shown hereon, **DNT FRONTIER, LP**, does herein certify the following:

- The streets and alleys are dedicated for street and alley purposes.
- All public improvements and dedications shall be free and clear of all debt, liens and/or monetary encumbrances.
- The easements and public use area, as shown are dedicated for the public use forever for the purposes indicated on this plat.
- No buildings, fences, trees, shrubs, or other improvements or growths shall be constructed or placed upon, over or across the easements as shown, except that landscape improvements may be placed in landscape easements in approved by the Town of Prosper. Notwithstanding the foregoing, the Owners of the property hereby reserve the right to use and enjoy the surface of all easements dedicated hereby for all purposes that do not interfere with the use of said easements by the Town of Prosper and public utilities, including but not limited to placing surface materials over and across said easement and to use the same for parking areas, driveways, walkways, sidewalks, landscaping, lighting, and/or signage ("Permitted Encroachments").
- The Town of Prosper is not responsible for replacing any improvements in, under, or over any easements caused by maintenance or repair.
- Utility easements may also be used for the mutual use and accommodation of all public utilities desiring to use or using the same unless the easement limits the user to particular utilities, said use by public utilities being subordinate to the public's and Town of Prosper's use thereof.
- Except for Permitted Encroachments, the Town of Prosper and public utilities shall have the right to remove and keep removed all or part of any buildings, fences, trees, shrubs, or other improvements or growths which may in any way endanger or interfere with the construction, maintenance, or efficiency of their respective systems in the easements.
- The Town of Prosper and public utilities shall, at all times, have the full right of ingress and egress to or from their respective easements for the purpose of constructing reconstructing, inspecting, patrolling, maintaining, reading meters, and adding or removing all or parts of their respective systems without the necessity at any time procuring permission from anyone.
- All modifications to this document shall be by means and approved by the Town of Prosper.

This plat approved subject to all platting ordinances, rules, regulations and resolutions of the Town of Prosper, Texas.
