Mission Statement

To inform, encourage, engage, and entertain citizens by providing resources and services that respect individuals and ideas, inspire life-long learning, and build community.

The library upholds and supports the “Library Bill of Rights.”

Purpose of Policy

This document states the policies and plans governing the Prosper Community Library.

Hours of Operation

The library's hours of operation are intended to serve the needs of the greater community. Hours of operation of the library facility will be recommended by the Library Director and Library Board, with approval of the Executive Director of Community Services, Town Manager, or Town Council. Hours of operation are dependent upon budget, staffing levels, and usage patterns. Hours may be modified, reduced, or extended depending upon these factors. Business hours are subject to change due to town recognized holidays, emergencies, inclement bad weather or by other library actions.

Circulation Policy

Borrowing materials from the Prosper Community Library is a service and a privilege extended by the Town of Prosper to facilitate the use of its library materials, programs, and space. The Library Director is authorized to promulgate and enforce such rules, procedures, and limitations as may be necessary for the protection of the town's library property; as well as for the widest and best use of the materials and space. This includes limiting by type, subject, format, quantity, and time the materials which may be circulated. The library is also authorized to establish rules, procedures, and parameters for the provision of borrower registration privileges, library card uses, and the renewal of privileges. Misuse, abuse, or neglect of returning library materials repeatedly may result in forfeiture of library membership.

Patron Registration

Any taxpaying resident of the Town of Prosper, upon completion of an application, proof of identification and ~~†~~Town residency, is eligible for free library membership. Identification will be a valid US or Texas government photo ID card or driver's license. Proof of residency will be confirmed through CAD (County Appraisal District). In lieu of an expired or invalid government state issued photo ID card and/or CAD verification, some form of official photo identification and or driver's license, a lease/home closing documents and/or most current a utility bill (i.e., water/sewer, gas, electric) may suffice.

There are two (2) categories of membership to obtain library cards:

- Free permanent as well as limited memberships are available to those who can document* that they live in a household that receives/pays a Town of Prosper utility bill and the CPR/C48 (Prosper Town) tax.
 - In-person renewal is required bi-annually (every 2 years).

- Paid memberships apply to those who do not pay a Town of Prosper utility bill or the CPR/C48 (Prosper Town) tax. The cost is \$50 per library card holder annually.

- In-person membership renewal and payment are required annually.

Acceptable Residence Verification Documents:

There are two primary ways to prove residency:

1. Present a valid/non-expired government issued photo identification indicating your correct address.
2. If ~~your~~ the photo ID does not indicate ~~your correct~~ applicant's correct address, ~~you~~ the applicant will also need a paper or digital utility bill (water, sewer, gas, electric) indicating services to ~~the your~~ place of residence in addition to ~~a your~~ photo ID.
 - If ~~you are~~ the applicant is a new resident and ~~has have~~ not yet received a utility bill, closing documents or rental/lease agreements indicating ~~your~~ place of residence will suffice. Purchase contracts are not accepted.

Collin or Denton County's Appraisal District databases may be referenced to determine which city or town a ~~the library card~~ applicant pays their taxes to. These databases can be found at www.collincad.org/ or www.dentoncad.com/.

Non-residents ~~must may~~ pay an annual membership fee of \$50 per card. Identification requirements are the same for a resident. Membership is non-refundable and is not prorated.

A Temporary Membership may be obtained with other forms of identification. See library staff for qualifications and rules for this type of adult membership.

By applying for a library card and the associated privileges, the individual agrees to abide by all policies and rules of the library and acknowledges responsibility for all items checked out on the card including reasonable care and protection from damage. By use of the library card the patron agrees to pay for any lost or damaged materials checked out on the card, as well as any fees assessed on the account. The patron also agrees to promptly notify the library if the card is lost or stolen.

The parent accepts legal responsibility for the child's use of the library and all materials checked out on the child's card, including charges for lost or damaged materials or any library fees assessed on the account.

Individuals who have attained the age of eighteen (18) are an adult as to library usage and may assume the responsibilities which accompany the obtaining of a library card by applying for their own separate card. This does not relieve the parent/guardian of any obligations that are incurred by their minor child, as defined by and under the laws of the State of Texas.

The library reserves the right to verify identity and confirm patron information at any time.

Borrowers holding a valid library card must present their own card at the time they wish to check out materials; however, a family member or designated individual is permitted to check out materials on another member's card if they have possession of that card. Positive identification

When the hold item becomes available, the items will be checked out to the patron and the patron will be notified and given ~~five (5)~~ three (3) library business days to pick up the item(s). When holds are repeatedly not picked up, the library ~~software~~ will ~~restrict designate~~ their card and all associated cards ~~as blocked~~ for future holds due to abuse. Collection Development

Prosper Community Library seeks to fulfill its mission by selecting, acquiring, organizing, preserving, maintaining, and providing access to a collection of materials in the most current formats available, including electronic resources. The collection will address the interests and needs of the diverse community it serves in a format that is best suited to meet those needs and interests.

Materials Selection Policy

This policy guides the development and continuous evaluation of library materials to reflect Prosper Community Library's mission to inform, encourage, engage and entertain citizens by providing resources and services that respect individuals and ideas, inspire life-long learning and build community.

Prosper Community Library provides library materials in a variety of formats that:

- Inform the public of timely issues and timeless ideas.
- Encourage people to discover, create, and learn.
- Engage citizens to explore diverse opinions and conduct research on topics of interest.
- Entertain all ages seeking recreation and leisure.

1. Philosophy and Objectives

Prosper Community Library's service commitment is to the people within its service area, including people of every age, education, background, personal philosophy, religious beliefs, occupation, economic level, ethnic origin, and human condition. The library upholds the right of the individual to secure information, even though the content may be controversial, unorthodox, or unacceptable to others. To represent the diversity of thought within the Prosper community, materials available in the library encompass a variety of viewpoints enabling citizens to make the informed choices necessary in a democracy. The library does not endorse beliefs or views, nor does the selection of an item express or imply an endorsement of the viewpoint expressed by the author.

Prosper Community Library encourages free expression and free access to ideas, both essential elements in a democratic society. The library supports the individual's right to access

ideas and information representing all points of view. The library subscribes to the principles of the American Library Association's "Library Bill of Rights," the "Freedom to Read Statement," and the "Freedom to View Statement," which are included as appendices to this policy. The collection contains information on a variety of subjects and views and is organized to provide free access to patrons within the limitation of space and budget. A complete collection of all that is published is not a realistic goal. However, the library strives to create an attractive, current, and balanced collection representing all fields of knowledge and all sides of issues in an unbiased manner.

2. Responsibility

The authority and responsibility for the selection of library materials rests with the Library Director. Library card holders may recommend materials for consideration through the library's membership software.

3. Collection Structure

The placement of materials within the library is determined by several factors. The library uses the Dewey decimal classification scheme which divides materials by subject.

Professional catalogers use Dewey and Library of Congress subject headings to place materials into the proper subject areas and assign them to Adult, Young Adult, Juvenile, Reference, or other specific areas of the library.

4. General Selection Criteria

Prosper Community Library seeks to develop an outstanding collection within the constraints of budget allocations and shelf space. Materials purchased for the collection are not an endorsement by the library of either the content or viewpoint presented in them. The library provides, within its financial and space limitations, a general collection of materials embracing broad areas of knowledge, as well as literary and cultural genres. Included are works of enduring value and timely materials on current issues. Within the framework of these broad objectives, selection is based on community demographics and evidence of areas of interest.

Collections are reviewed and revised on an ongoing basis to meet contemporary needs. Collections are current and popular, not archival, and materials are not needlessly duplicated. Collections provide general coverage of subjects and reflect the characteristics of the community. Materials are withdrawn from the collection to maintain the collection's usefulness, timeliness, and relevance.

To build and maintain a collection of merit, materials are evaluated according to one or more of the following criteria. Not all criteria must be met and no one criterion will be decisive. Additional criteria may be used to select materials for specific collections.

- Current and relevant to community needs and interests
- Suitability of subject and style for intended audience
- Attention of critics and expert reviewers

- Cost in relation to value to the collection
- Comprehensiveness
- Skill, competence, purpose of author
- Reputation and significance of author
- Objectivity
- Authenticity of history or social setting
- Consideration of the work as a whole
- Representation of diverse point of view
- Suitability in physical form for library use
- Technical quality
- Local or national significance
- Legal or licensing rights
- [Adheres to accreditation standards set by TSLAC](#)

5. Selection Tools

Among the selection tools used by the Library Director and library staff include professional library journals, trade journals, subject bibliographies, publisher's reputation, promotional materials, and reviews from reputable sources. Since the Library collection reflects the unique community culture of Prosper, consideration is also given to materials requested by citizens of the community. Circulation history, statistics, and books in series will determine additions to the collection as well.

6. Excluded from selection:

- Textbooks and curriculum-related works unless they are considered useful to the general reader as introduction to a subject and their presentation is superior to other sources.
- Scholarly and technical materials that are carried by academic or specialty libraries.
- Items having removable media such as memorabilia, patterns, stickers, sound, or toys.
- Items that have moveable parts such as flap book, tactile learning, or manipulatives ([with the exception to items deemed "kits."](#))
- Puzzles or workbooks that encourage filling in blanks.
- Materials that are publicized solely through infomercials or personal websites.
- Self-published/subsidy published materials unless they are reviewed in established publications.
- Rare book: Since it is the public library's function to make materials available to all users, the Prosper Community Library does not collect rare or unusual materials that require special handling. Rare publications pertaining to Prosper, or Texas history will be given to the Prosper Historical Society or another appropriate institution for preservation and protection.
- Genealogical materials.

Collection Responsibilities

Responsibility for the collection rests with the Library Director, who operates within the framework of the Collection Development Policy. The Library Director delegates to staff

members authority to interpret and apply this policy in daily operations. All staff contributes to the development of collections driven by patron needs and expectations by:

- Engaging in open, continuous communication with patrons.
- Handling all requests equitably.
- Understanding and responding to continually changing demographics, as well as societal and technological changes.
- Recognizing materials of varying complexity and format necessary to satisfy diverse needs.

Collection Maintenance

The library keeps its collection vital and useful by withdrawal and replacement of essential materials, and by removal of those works that are worn, outdated, unnecessary duplicates, or no longer in demand. The library uses the Texas State Library and Archive Commission's CREW Method (Continuous Review, Evaluation, and Weeding) for guidance when reviewing collection.

Donated Materials (Donations may not be accepted during [COVID-19 health crisis](#) spikes to decrease exposure to library staff.)

Formatted: Font: Not Bold

The library accepts donations [of books, audiobooks, and DVDs](#) that are gently used, in excellent condition, with current publication dates. ~~However, n~~Not all donations are added to the collection. Self-published donated items will not be added to the collection without positive professional reviews. Donated materials not added to the collection are not returned to the donor but may be sold in the annual Friends of Prosper Community Library book sale fundraiser or disposed of if not deemed suitable. [Games, toys, puzzles, workbooks, sheet music, etc., are not accepted.](#)

The library retains unconditional ownership of all donations.

The library does not place a value on donations, nor provide appraisals for income tax or any other purpose. A tax deduction receipt letter is available for all donations.

Gift subscriptions to periodicals are welcomed and accepted if the periodical falls within the guidelines of the Collection Development Policy and must be pre-approved by the Library Director.

Purchase Requests

Purchase suggestions from patrons provide librarians with useful information about local interests or needs not currently met by the collection. The librarians evaluate requests for specific items in accordance with the established selection objectives and criteria. If the item is not added to the collection, the patron may have an opportunity to borrow the items through Interlibrary Loan.

[Local Author Donation](#)

[A Local Author Donation form must be completed and submitted to the library. The Local Author Donation Committee will review the application and notify the donor of its determination. Forms are available in the library only.](#)

Public Notices and Non-Library Materials

Only information [pertaining to created/published by](#) the Town of Prosper and Prosper Community Library ~~and its programs and events~~ may be displayed or distributed in the library.

Reconsideration of Materials

Prosper Community Library believes that censorship is a purely individual matter and declares that, while any person is free to reject for themselves materials of which they do not approve, they cannot exercise this right of censorship to restrict the freedom of others to read, view, listen, or inquire. The Prosper Community Library subscribes to the American Library Association's "Library Bill of Rights" and has set these regulations in place to assist in fulfilling the library's mission to serve the residents of Prosper.

Any patron who is a resident of the Town of Prosper and holds a library card in good standing from the Prosper Community Library is encouraged to speak with library staff if they have questions about the library's collection development policies.

If a resident's concern is not satisfied through discussion with library staff, the resident may create/write a letter titled "Recommendation for Reconsideration of Materials Letter" and send it to the Library Director.

For a Recommendation for Reconsideration of Materials to be considered by the library administration, it must meet the following criteria:

- The patron must be a Town of Prosper resident (Town of Prosper [\[CPR/C48\]](#) taxpayer) and hold a library card in good standing from the Prosper Community Library.
- The recommendation letter must be submitted to the Library Director.

The Library Director will respond directly to the patron or refer the recommendation to the library administration and Library Board for review. The Library Board and administration will review the recommendation and prepare a report to the Library Director. This report will determine whether the materials in question continue to meet the selection criteria of the library, and the Library Director will utilize this report in providing a response to the patron. The review process will be completed within thirty (30) days from the date the Recommendation for Reconsideration of Materials letter is received by the Library Director.

Interlibrary Loan

Interlibrary Loan (ILL) is a service that allows Prosper Community Library card holders access to materials in the collections of other libraries by request. If the materials a cardholder desires are not available in the Prosper Community Library's collection, library staff can attempt to borrow it via the ILL system. An ILL request form must be ~~submitted~~completed in person and ~~a nominal the return~~ shipping fee determined by current USPS fee schedule, will be charged to the patron's account upon the library's receipt of the item. This fee must be paid when the item arrives regardless of whether the item is ever picked-up by the patron. Cancellation of the ILL request does not negate this fee.- Availability and speed of service is solely dependent on the ILL request software system, lending library processing, and USPS delivery timelines.

Children in the Library

The Prosper Community Library provides a warm, welcoming, exciting, and safe environment for people of all ages. ~~Children are welcome in the library, and the staff cares about their welfare.~~ Responsibility for the safety and behavior of children in the library rests with the parent or caregiver, ~~not with library staff.~~

The safety of children left alone in the library is a serious concern of the library staff. ~~The staff have many duties to perform to serve all users of the library.~~ Library staff cannot monitor the behavior and safety of children using the library.

Children under the age of 8 must be physically with an adult parent/caregiver. Parent/caregiver must attend and be engaged in programs with the child as well.

Children under the age of 13 must be supervised by a responsible adult (18 years or older). If a child under the age of 13 is in the library attending a library program, a parent/caregiver must be in the building and aware of the location and behavior of the child.

Children ages 13 - 17 may use the library on their own if they- and are expected to comply with all library rules and the Prosper Community Library Standards of Conduct Policy. Parents/caregivers are still, however, responsible for the behavior of their children. If children do not comply with library rules and the Prosper Community Library Standards of Conduct Policy, library staff may ask them to leave the library and the parent/guardian or police may be contacted.

~~If a child is not able to leave the library without an adult, he/she should not be in the library alone. Children must also have the phone number of a parent/caregiver who may be contacted in an emergency.~~

Unattended/Abandoned Children after Closing Time

Children under 13 are to be always supervised while at the library. The library is not responsible for children without transportation at closing. Library staff will exercise appropriate procedures to ensure the safety of unattended children when the library is closing.

Parents/caregivers are responsible for being aware of the library's hours of operation.

Parents/caregivers must also keep in mind that the library may close unexpectedly for reasons out of the control of staff, such as a power outage, inclement weather, etc.

If no one has arrived for the child within ten (10) minutes after closing time, the staff will call the Prosper Police Department. Two library staff members will wait for the police with the child. Once the police arrive, the child will be turned over to the Prosper Police, and the library staff members will no longer be responsible for the unattended child.

Orientation/Tours

Private group tours are available by scheduling directly with the Library Director.

Exam Proctoring

The Prosper Community Library does not offer proctoring services.

Library patrons who choose not to follow the Library's Standards of Conduct Policy, will be asked to correct the unacceptable behavior. If the behavior continues, that patron will be asked to leave. Prosper Police Department will be called if the patron refuses to leave.

Responsibility and Authority

Final responsibility and authority for maintaining acceptable standards of conduct in the library rests with the Library Director, who will operate within a framework of policies and procedures adopted by the Town. The staff will operate under the Library Director's delegated authority. The library is authorized to develop such procedures, guidelines, and rules as may be necessary to carry out these policies. Further, the library is authorized to utilize appropriate technologies to address the implementation of these policies.

For Internet and other Technology-Related Items

Services Available

Typical services may include Internet access, computer applications such as word processor, spreadsheets, database access, children's educational and software applications, and other technologies as they become available. Services may be added and deleted as decided by the Library Director.

The library's electronic services are not intended to provide access to every software or hardware application or to every source of information available. The library does not offer email accounts but allows access to free email providers on the Internet.

Information on the Internet is not necessarily current, accurate, or complete. While valuable information is available on the Internet, some may be obscene, patently offensive, or harmful, especially to minor children, as defined by applicable state and/or federal laws. For purposes of this policy, minors are defined to include all individuals under the age of eighteen (18) years.

Since the Internet makes accessible a rapidly changing array of resources, it is not possible for the library to control or monitor content on a regular basis. The library utilizes software that blocks sources on the Internet that are obviously inconsistent with the library's mission. This does not fully guarantee that individual users are protected from accessing information they personally deem undesirable or disturbing. Be advised that filtering software is not foolproof; it diminishes the likelihood of seeing offensive material on the Internet but does not eliminate the possibility.

User information is deleted after logging off and each evening software resets the computers to default library settings clearing all cached data from that day.

Internet Access

Library electronic resources are for educational, informational, and appropriate recreational purposes only. The library takes precautions to restrict access to controversial materials. However, a global network is impossible to control. Any user may access a website that is potentially controversial. We firmly believe that the valuable information and interaction available on the Web far outweighs the possibility that users may access material that is not consistent with the goals of the Prosper Community Library.

Although the library provides access to electronic information, this does not imply sponsorship or endorsement. It is the responsibility of the patron, parent, or guardian to determine the accuracy, appropriateness, and usefulness of information accessed through electronic resources. The Prosper Community Library assumes responsibility only for the information found on the Town of Prosper website.

Restriction of a minor's access to, or use of, electronic resources is the responsibility of the minor's parents or legal guardians.

The library is not responsible for the content of electronic resources to which its patrons link, for the content of sources accessed through secondary links, or for the previous patron's search history.

Patrons should expect no privacy when using electronic resources provided by the library whether accessed from an external site or internally, as these are public computers used in a public place. Neither the Town of Prosper nor the Prosper Community Library can be held responsible for losses or liabilities, direct or indirect, incurred using electronic resources provided by the library.

The library is not responsible in any way for a personal electronic device brought into the library.

The library does not guarantee the availability of electronic resources.

Hotspot usage policy and electronic device agreement

Prosper Community Library has established a Wi-Fi hotspot lending program to provide patrons in our community with high-speed internet access. With this program, students can use the Internet for help with homework and projects, employees can have reliable internet access to

meetings and presentations, and patrons can have home access to the library's digital resources such as our databases, catalog, and eBooks. Patrons can take advantage of our Wi-Fi hotspot lending program with a current Prosper Community Library card.

The library is not responsible for any liability, damages or expense resulting from use or misuse of the device, connection of the device to other electronic devices, or data loss resulting from use of device. Any use of the device for illegal purposes, unauthorized copying of copyright-protected material in any format, or transmission of threatening, harassing, defamatory or obscene materials is strictly prohibited.

Wi-Fi hotspots may be borrowed by card holders ages 18 and above with a library card in good standing. Checkout is limited to one per household at any given time. The library reserves the right to refuse service to patrons who abuse equipment or who are repeatedly late in returning items.
