Quote Notes: Annual Subscription \$20,000 Starting Year 2

- To continue using ITpipes software, an annual software subscription is required at the renewal cost displayed below.
- ITpipes on-demand software subscriptions may incur annual price updates. Set pricing and better conditions are available in 3-year agreements, for further information, please let your sales rep know.
- Payment for implementation costs is due 30 days after order is placed. Payment for all software licensing costs is due upon receipt of license activation key(s) or 90 days after the start of the implementation (whichever comes first) and may be made via credit card, wire transfer, or check deposit (with special arrangements).

PRODUCT DETAILS	QTY

Terms & Conditions: Shipping costs may be invoiced separately. Orders ship 10-14 days after payment is received. We are not liable for backorders, but will notify customers as we are informed. A 10-day warranty applies for parts/labor on depot basis. We disclaim any warranties, express or implied, and a restocking fee applies for returns. Prices are subject to change. Sales are direct to end-users or authorized resellers. Invoices not paid on time accrue interest at 1.25% per month, and unpaid checks result in a \$50 charge. Licenses are non-transferable. Legal action to collect unpaid amounts entitles ITpipes to attorney's fees, damages and penalties as per NM law.
