Grant Application**

Town Council Meeting – June 11, 2024

Strategic Visioning Priority: 4. Provide Excellent Municipal Services

Agenda Item:

Consider and act upon a resolution authorizing the Town Manager, and/or his/her designee, to apply for the FY 2025 Motor Vehicle Crime Prevention Authority SB 224 Catalytic Converter Grants Grant.

Description of Agenda Item:

The Motor Vehicle Crime Prevention Authority (MVCPA) has authorized the issuance of the Fiscal Year 2025 (FY 2025) Request for Applications (RFA). Senate Bill 224 provides that, "The money deposited to the credit of the general revenue fund for coordinated regulatory and law enforcement activities intended to detect and prevent catalytic converter theft in this state... may be appropriated to the Authority for the activities required by this section." To implement SB 224, the MVCPA is providing grants to local law enforcement taskforces and agencies to combat Catalytic Converter Theft.

To help combat catalytic converter theft in the Town of Prosper, the Police Department will be requesting 4 Flock Camera Trailers \$20,500, Traffic Analytics \$8,000, 3SI's ESO Trackers \$3,250, Flock 911 \$30,400, Flock Integrations (Railroad) \$3600 and 9 Flock Wireless Video Pairs \$22,500. The 4 Flock Camera Trailers will be mobile and allow Prosper PD to place these trailers in areas that have a high likelihood of catalytic converter theft, vehicle thefts and burglary of motor vehicles. Traffic Analytics complements Flock by providing data analytics, providing vehicle counts, and vehicle demographics. The ESO trackers will allow Prosper PD to purchase small GPS trackers that belong to the Town of Prosper instead of borrowing them from other agencies during criminal investigations especially those dealing with catalytic converter theft and other crimes associated with motor vehicles. Flock 911 will allow our officers to respond effectively to Flock hotlist alerts. The integration of the Flock with the railroad will allow our officers to respond to Flock hits near the railroad as well as other town owned cameras. The 9 Flock wireless video pairs will replace cameras at Frontier Park. These equipment requests will complement our existing Flock Safety Program footprint and allow our officers to solve crimes expeditiously.

This grant is funded at 80% if selected by the Motor Vehicle Crime Prevention Authority. The Town of Prosper will be responsible for initially funding the equipment out of General Fund, and the MVCPA will reimburse the Town of Prosper.

This request related to the FY25 Decision Package for FY25.

Budget Impact:

The total funds requested will be approximately \$88,250 and will be funded from the Police Department's Capital Account, 100-6140-20-01. The cost share is 80/20, with an estimated commitment of \$17,560.
