

## **PROSPER ARTS DISTRICT DEVELOPMENT AGREEMENT**

**THIS PROSPER ARTS DISTRICT DEVELOPMENT AGREEMENT** (“Agreement”) is entered into by and between the Town of Prosper, Texas (“Town”), and Prosper Tollway Avenues 35, LP. (“Developer”), individually, a “Party” and collectively, the “Parties,” to be effective (the “Effective Date”) on the latest date executed by a Party.

**WHEREAS**, the Town is a home-rule municipal corporation, located in Collin County and Denton County, Texas, organized and existing under the laws of the State of Texas; and

**WHEREAS**, Developer is developing a project in the Town known as Prosper Arts District (“Property”), a legal description of which Property is attached hereto as Exhibit A and incorporated by reference; and

**WHEREAS**, the Property was rezoned by the Town Council on or about \_\_\_\_\_, and this Agreement seeks to incorporate, in part, the negotiated and agreed upon development standards contained in the underlying zoning ordinance, as may be amended, and/or this Development Agreement, to recognize Developer’s reasonable investment-backed expectations in said development, as may be amended, and as more fully described herein.

**NOW, THEREFORE**, in consideration of the foregoing premises, and for other good and valuable consideration the receipt and adequacy of which are hereby acknowledged, the Parties to this Agreement agree as follows:

**1. Development Standards.** For any structure built on the Property following the Effective Date, it shall comply with the requirements contained in Exhibit B, “Building Materials,” attached hereto and incorporated herein. The Parties agree and acknowledge that the provisions of this Paragraph shall apply to any structure constructed subsequent to the execution of this Agreement. Nothing in this Agreement shall be deemed to modify or otherwise amend any zoning regulation duly adopted by the Town, previously or in the future.

**2. Maintenance of Landscape Areas.**

A. Developer agrees to maintain all Landscape Areas (including all vegetation) on the Property, as referenced and/or depicted in the applicable zoning ordinance, as amended, free of weeds, tall grass, rubbish, brush and other objectionable, unsightly or unsanitary matter, as defined in Article 6.03 of Chapter 6 of the Town’s Code of Ordinances, as amended. Further, Developer agrees that landscape maintenance obligations referenced herein include mulching of Landscape Areas, prompt replacement of dead or dying vegetation with new vegetation, mowing of Landscape Areas, where required, and other routine and regular maintenance of plants and other vegetation.

B. In the event that any Landscape Area or plants or vegetation is/are not properly maintained in accordance with this Agreement, the Town may give written notice to Developer of such failure to maintain and Developer shall promptly address such failure, taking into account the type(s) and species of such plants and vegetation and applicable planting cycles of same. After such notice, and Developer's failure to address same, Developer agrees and acknowledges that the Town shall have the right to go onto Developer's property and replace, replant or otherwise address such failure to maintain any Landscape Area or plants or vegetation, with an invoice of costs incurred by the Town being promptly provided by the Town to Developer. In the event Developer does not pay such invoice within thirty (30) days of receipt by Developer, the Town may file a lien on the Property for the costs it incurred for the work done, including a reasonable administrative fee. Any failure to maintain any Landscape Area, plants or vegetation shall not be considered a default in accordance with Paragraph 7 of this Agreement, and any obligations referenced in said Paragraph shall not be applicable to this Paragraph 2.

C. Notwithstanding any provision in this Paragraph to the contrary, the Town specifically reserves the right to take enforcement action and/or file a complaint against Developer in the Town's municipal court (or other appropriate forum) relative to weeds, tall grass, rubbish, brush and other objectionable, unsightly or unsanitary matter on the Property, in accordance with Article 6.03 of Chapter 6 of the Town's Code of Ordinances, as amended.

**3. Periodic Review of the Property's Zoning by the Town Council.** The Town Council reserves the right to periodically review the progress and/or scope of development of the Property pursuant to the terms of any zoning regulations applicable to the Property, and in the event any amendment(s) or revision(s) to said zoning regulations are deemed reasonably appropriate and have the written approval of the Developer, the Town may provide appropriate notices for Town consideration of same, pursuant to the provisions of Chapter 211 of the Texas Local Government Code, as amended, and the Town's Zoning Ordinance, as amended.

**4. Certain Business Establishments Prohibited.** Developer agrees and acknowledges that it will not lease, sell or otherwise permit or authorize on the Property any of the following business establishments: (1) credit access businesses, as defined in Texas Finance Code § 393.601, as amended, including but not limited to payday lending businesses, "cash for title" lenders, and credit services businesses, as defined in Texas Finance Code § 393.001, as amended); (2) body art facilities; (3) smoke or vape shops; (4) any business entity that sells drug paraphernalia; (5) any business establishment offering gaming or slot machines; (6) sex shops, including but not limited to business entities whose primary purpose is the sale of lewd merchandise; (7) pawn shops; and (8) business entities which primarily utilize outdoor storage or displays. Additionally, Developer agrees and acknowledges that it will not lease, sell or otherwise permit or authorize on the Property a package liquor store, which for purposes of this Agreement is defined as any business entity that is required to obtain a Package Store Permit (P) from the Texas Alcoholic Beverage Commission for the off-premises consumption of alcohol.

**5. Covenant Running with the Land.** The terms, conditions, rights, obligations, benefits, covenants and restrictions of the provisions of this Agreement shall be deemed covenants running with the land, and shall be binding upon and inure to the benefit of the Developer and its heirs, representatives, successors and assigns. This Agreement shall be deemed to be incorporated into each deed and conveyance of the Property or any portion thereof hereafter made by any other Developers of the Property, regardless of whether this Agreement is expressly referenced therein.

**6. Applicability of Town Ordinances.** Developer shall develop the Property, and construct all structures on the Property, in accordance with all applicable Town ordinances and building/construction codes.

**7. Default.** No Party shall be in default under this Agreement until notice of the alleged failure of such Party to perform has been given (which notice shall set forth in reasonable detail the nature of the alleged failure) and until such Party has been given a reasonable time to cure the alleged failure (such reasonable time determined based on the nature of the alleged failure, but in no event less than thirty (30) days after written notice of the alleged failure has been given). In addition, no Party shall be in default under this Agreement if, within the applicable cure period, the Party to whom the notice was given begins performance and thereafter diligently and continuously pursues performance until the alleged failure has been cured. If either Party is in default under this Agreement, the other Party shall have the right to enforce the Agreement in accordance with applicable law, provided, however, in no event shall any Party be liable for consequential or punitive damages.

**11. Entire Agreement.** This Agreement contains the entire agreement between the Parties hereto with respect to development of the Property and supersedes all prior agreements, oral or written, with respect to the subject matter hereof. The provisions of this Agreement shall be construed as a whole and not strictly for or against any Party.

**12. Savings/Severability.** In the event any provision of this Agreement shall be determined by any court of competent jurisdiction to be invalid or unenforceable, the Agreement shall, to the extent reasonably possible, remain in force as to the balance of its provisions as if such invalid provision were not a part hereof.

Each assignment shall be in writing executed by Developer and the Assignee and shall obligate the Assignee to be bound by this Agreement. A copy of each assignment shall be provided to the Town within ten (10) business days after execution. Provided that the successor Developer assumes the liabilities, responsibilities, and obligations of the assignor under this Agreement, the assigning party will be released from any rights and obligations under this Agreement as to the Property that is the subject of such assignment, effective upon receipt of the assignment by the Town. No assignment by Developer shall release Developer from any liability that resulted from an act or omission by Developer that occurred prior to the effective date of the assignment. **EXHIBIT B**  
**(Building Materials)**

**Multifamily Zone:**

1. Architectural and Material Standards.

i. Review and Approval Process.

1. Conceptual Architectural and Material Standards.

The applicant shall submit a detailed materials and style plan along with sample elevations and renderings to define the architectural character of the property. This shall be submitted at the time of Preliminary Site Plan submission.

2. Final Architectural and Material Standards.

The applicant shall submit a Façade Plan and Material Sample Board for each structure at the time of Site Plan submission.

3. The conceptual elevations in Exhibit F are intended to evoke a general look and feel of the architecture of the various land use types. Changes to materials and architectural elements are permitted so long as the building elevations adhere to the design guidelines outlined in the Design Guidelines of this Exhibit C.

ii. Design Guidelines.

1. All buildings must be a minimum of eighty percent (80%) primary materials, excluding windows and doors on each façade.

2. Primary materials include fiber cement panel, metal composite material (examples include, but not limited to Centria and Alucobond), steel plate, clay fired brick, natural and manufactured stone, granite, and marble.

3. On each façade, stucco is limited to a maximum ten percent (10%) on the first floor, a maximum thirty percent (30%) on the second and third stories, and a maximum fifty percent (50%) on the fourth story and above.

4. The style of all buildings must be consistent and in keeping with the style of the entire Multifamily Zone.

5. All materials and exterior colors shall be compatible with those used throughout the development.

6. Horizontal and vertical building articulation is required on all elevations. This may be achieved through recessed or projected architectural elements, variations in roof line, etc.

7. No single finish shall cover more than eighty (80) percent of the front of any building.

**Mixed-Use Zone:**

1. Architectural and Material Standards.

- i. Review and Approval Process.

1. Conceptual Architectural and Material Standards.

The applicant shall submit a detailed materials and style plan along with sample elevations and renderings to define the architectural character of the property. This shall be submitted at the time of Preliminary Site Plan submission.

2. Final Architectural and Material Standards.

The applicant shall submit a Façade Plan and Material Sample Board for each structure at the time of Site Plan submission.

3. The conceptual elevations in Exhibit F are intended to evoke a general look and feel of the architecture of the various land use types. Changes to materials and architectural elements are permitted so long as the building elevations adhere to the design guidelines outlined in the Design Guidelines of this Exhibit C. The Mixed-Use Zone should offer architectural diversity between buildings, with each structure contributing its own unique flair that blends styles, materials, and artistic expressions in this dynamic arts district.

4. Structured Garages. Any elevation or portion of an elevation of a structured garage that is not wrapped by a building or is visible from Dallas Parkway/Tollway shall have architectural styles and materials compatible with the adjacent or attached structure to ensure the exposed structured garage elevation gives the appearance of a building rather than a blank parking garage. Cladding, murals, or other artistic expressions shall be used to enhance the overall architectural character of the structured garage.

- ii. Design Guidelines.

1. All buildings must be a minimum of eighty percent (80%) primary materials, excluding windows and doors on each façade.

2. For purposes of this section, primary materials shall include: metal composite material (examples include, but not limited to Centria and Alucobond), steel plate, clay fired brick, natural and manufactured stone, granite, and marble.
3. On each façade, fiber cement panel and stucco are each limited to a maximum ten percent (10%) on the first floor, a maximum thirty percent (30%) on the second and third stories, and a maximum fifty percent (50%) on the fourth story and above.
4. All materials and exterior colors shall be compatible throughout the development.
5. Horizontal and vertical building articulation is required on all elevations. This may be achieved through recessed or projected architectural elements, variations in roof line, etc.
6. No single finish shall cover more than eighty (80) percent of the front of any building.
7. Storefronts on façade treatments that span multiple tenants shall use architecturally compatible materials, colors, details, awning signage, and lighting fixtures. Retail ground floor shall have windows covering a minimum of 60% of the major street and/or public-realm fronting façade(s).
8. Architectural elements should tie into and play off of the historical features throughout the Town of Prosper, including but not limited to the silos and windmills to ensure this development feels connected to the Town as a whole. Modern elements and artistic expression may be used to play off of the historic theme of Prosper.
