(a) As authorized by Section 1371.053, Texas Government Code, as amended, the Deputy Town Manager and the Finance Director of the Town are each individually hereby authorized to act on behalf of the Town in selling and delivering the Bonds (of which officers, the officer executing the Pricing Certificate shall be hereinafter referred to as, and shall for all purposes be, the "Pricing Officer"), determining whether the Bonds shall be issued in one or more series or subseries and carrying out the procedures specified in this Ordinance, including determining the principal amount of Bonds to be issued, the amount to be applied against each proposition, determining whether the Bonds shall be issued in one or more series or subseries, the date or dates of the Bonds, any additional or different designation or title by which the Bonds shall be known, the price at which the Bonds will be sold, the years in which the Bonds will mature, the principal amount to mature in each of such years, the rate of interest to be borne by each such maturity, the interest payment and record dates, the price and terms, if any, upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the Town, as well as any mandatory sinking fund redemption provisions, whether the Bonds of any series shall be designated as "qualified tax-exempt obligations" as

defined in section 265(b)(3) of the Code, approving modifications or additions to the Rule 15c2-12 continuing disclosure undertaking, approving modifications to the term Defeasance Securities, determining the Required Reserve and all other matters relating to the issuance, sale, and delivery of the Bonds, including without limitation procuring municipal bond insurance and approving modifications to this Ordinance and executing such instruments, documents and agreements as may be necessary with respect thereto, if it is determined that such insurance would be financially desirable and advantageous, all of which shall be specified in the Pricing Certificate, provided that:

(ii) no Bond of any series (if multiple series are issued) shall mature after August 15, 2045; and

(iii) the true interest cost rate for the Bonds shall not exceed 5.00% in the aggregate.

(b) In establishing the aggregate principal amount of the Bonds, the Pricing Officer shall establish an amount not exceeding the amount authorized in Subsection (a) above, which shall be sufficient in amount to provide for the purposes for which the Bonds are authorized and to pay costs of issuing the Bonds. The delegation made hereby shall expire if not exercised by the Pricing Officer on or prior to the date that is 180 days after the adoption of this Ordinance. The Pricing Officer may determine to issue one or more series of Bonds and may exercise the authority granted herein on one or more dates to effectuate the issuance of multiple series of Bonds if multiple series are issued and, if multiple series are issued, each separate series may close on separate dates or on the same date, as determined by the Pricing Officer. The Bonds shall be sold at such prices, with and subject to such terms as set forth in one or more Pricing Certificates.

(c) The Bonds of one or more series may be sold by public offering (either through a negotiated or competitive offering) or by private placement. If the Bonds of one or more series are sold by private placement, the applicable Pricing Certificate shall so state, and the applicable Pricing Certificate may make changes to this Ordinance to effect such private placement of such Bonds, including the provisions hereof that pertain to the book-entry-only procedures (including eliminating the book-entry-only system of registrations, payment and transfers) and to the provisions relating to the Rule 15c2-12 undertaking (including eliminating or replacing such undertaking with an agreement to provide alternative disclosure information).

(d) In satisfaction of Section 1201.022(a)(3)(B), Texas Government Code, the Council hereby determines that the delegation of the authority to the Pricing Officer to approve the final terms of the Bonds set forth in this Ordinance is, and the decisions made by the Pricing Officer pursuant to such delegated authority and incorporated into the Pricing Certificate will be, the most advantageous reasonably available, and the Pricing Officer is hereby authorized to make and include a finding to that effect in the Pricing Certificate.

Section 4. CHARACTERISTICS OF THE BONDS. (a) Registration, Transfer, Conversion and Exchange. The Town shall keep or cause to be kept at the designated office of the bank named in the Pricing Certificate as the paying agent/registrar for the Bonds (the "Paying Agent/Registrar"), books or records for the registration of the transfer, conversion and exchange of the Bonds (the "Registration Books"), and the Town hereby appoints the Paying Agent/Registrar

as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the Town and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided within three days of presentation in due and proper form. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Town shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Town shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Bond or Bonds. Registration of assignments, transfers, conversions and exchanges of Bonds shall be made in the manner provided and with the effect stated in the FORM OF BOND set forth as **Exhibit A** of this Ordinance. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond.

(b) Authentication. Except as provided in subsection (e) of this Section, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign said Bond, and no such Bond shall be deemed to be issued or outstanding unless such Bond is so executed. The Paying Agent/Registrar promptly shall cancel all paid Bonds and Bonds surrendered for conversion and exchange. No additional ordinances, orders or resolutions need be passed or adopted by the governing body of the Town or any other body or person so as to accomplish the foregoing conversion and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Bonds in the manner prescribed herein. Pursuant to Subchapter D, Chapter 1201, Texas Government Code, the duty of conversion and exchange of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Bond, the converted and exchanged Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which initially were issued and delivered pursuant to this Ordinance, approved by the Attorney General and registered by the Comptroller.

(c) Payment of Bonds and Interest. The Town hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the Town and the Paying Agent/Registrar with respect to the Bonds, and of all conversions and exchanges of Bonds, and all replacements of Bonds, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Town. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each registered owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(d) Substitute Paying Agent/Registrar. The Town covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the Town will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Ordinance, and that the Paying Agent/Registrar will be one entity. The Town reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 50 days written notice to the Paying Agent/Registrar, to be effective not later than 45 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Town covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Town. Upon any change in the Paying Agent/Registrar, the Town promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(e) General Characteristics of the Bonds. The Bonds (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the Registered Owners thereof, (ii) may be redeemed prior to their scheduled maturities (notice of which shall be given to the Paying Agent/Registrar by the Town at least 35 days prior to any such redemption date), (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Bonds shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the Town shall have certain duties and responsibilities with respect to the Bonds, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND set forth as **Exhibit A** of this Ordinance. The Bonds initially issued and delivered pursuant to this Ordinance are not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Ordinance the Paying Agent/Registrar shall execute the Paying Agent/registrar's Authentication Certificate, in the FORM OF BOND set forth as **Exhibit A** of this Ordinance.

(f) Book-Entry-Only System. Unless the Bonds are sold by private placement, the Bonds issued in exchange for the Bonds initially issued to the Underwriter shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York ("DTC"), and except as provided in subsection (g) of this Section, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Town and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers

and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Town and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the Town and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the registered owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Town's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Town to make payments of principal and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks being mailed to the registered owner at the close of business on the Record Date, the words "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(g) Successor Securities Depository; Transfers Outside Book-Entry-Only System. If the Bonds are subject to the DTC book-entry system, and in the event that the Town determines that DTC is incapable of discharging its responsibilities described herein and in the Town's Blanket Issuer Letter of Representations to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Town shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

(h) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to

such Bond shall be made and given, respectively, in the manner provided in the Town's Blanket Issuer Letter of Representations to DTC.

(i) Cancellation of Initial Bond(s). On the Delivery Date, one initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the order of the Underwriter or its designee, executed by manual or facsimile signature of the Mayor and Town Secretary, approved by the Attorney General, and registered and signed by the Comptroller in the manner prescribed by law, will be delivered to the Underwriter or its designee. If the Bonds are sold subject to the book-entry system of DTC, then upon payment for the initial Bond(s), the Paying Agent/Registrar shall insert the Delivery Date on the initial Bond(s), cancel each of the initial Bond(s) and deliver to DTC on behalf of the Underwriter one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all of the Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

(j) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by this Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption may, at the option of the Town, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Town shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

Section 5. FORM OF BONDS. The form of the Bond, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State to be attached only to the Bonds initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially in the form provided in **Exhibit A**, with such appropriate variations, omissions, or insertions as are permitted or required by this Ordinance. The Form of Bond as it appears in **Exhibit A** shall be completed, amended and modified by Bond Counsel to incorporate the information set forth in the Pricing Certificate, but it is not required for the Form of Bond to be reproduced as an exhibit to the Pricing Certificate.

Section 6. PLEDGE.

(a) The Town hereby covenants and agrees that a first lien on the Pledged Revenues are hereby irrevocably pledged to the payment and security of the Bonds Similarly Secured, including the establishment and maintenance of the special funds created, established and maintained for the payment and security thereof, all as hereinafter provided; and it is hereby ordered that the Bonds Similarly Secured, and the interest thereon, shall constitute a lien on and pledge of the Pledged Revenues and be valid and binding without any physical delivery thereof or further act by the

Town, and the lien created hereby on the Pledged Revenues for the payment and security of the Bonds Similarly Secured, including the establishment and maintenance of the special funds created, established and maintained for the payment and security thereof, shall be superior to the lien on and pledge of the Pledged Revenues securing payment of any Subordinate Lien Obligations heretofore or hereafter issued by the Town.

(b) Chapter 1208, Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues granted by the Town under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the Pledged Revenues granted by the Town under this Section is to be subject to the filing requirements of Chapter 9, Business and Commerce Code, in order to preserve to the Holders of the Bonds a security interest in said pledge, the Town agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business and Commerce Code and enable a filing of a security interest in said pledge to occur.

Section 7. FUNDS. The following special funds ("Funds") heretofore created and established in connection with the Previously Issued Bonds shall be maintained so long as any of the Bonds Similarly Secured, or the interest thereon, are outstanding and unpaid:

(a) "Town of Prosper Waterworks and Sewer System Revenue Fund", hereinafter called the "System Fund." This fund shall be kept and maintained at a depository bank of the Town, and moneys deposited in this fund shall be used as described herein.

(b) "Town of Prosper Waterworks and Sewer System Revenue Bond Fund", hereinafter called the "Bond Fund."

(c) For each series or combination of series of Bonds Similarly Secured that are secured by a Reserve Fund, a "Town of Prosper Waterworks and Sewer System Revenue Bond Reserve Fund", hereinafter called a "Reserve Fund."

(d) All of such Funds may be held as subaccounts within another fund (or within the System Fund) held by the Town's depository, and, as such, not held in separate bank accounts. Such treatment shall not constitute a commingling of the monies in such Funds or of such Funds and the Town shall keep full and complete records of the monies and investments credited to each of such Funds.

Section 8. SYSTEM FUND. The Town hereby covenants, agrees and establishes that the Gross Revenues shall be deposited and credited to the System Fund immediately as collected and received. All Maintenance and Operating Expenses are and shall be paid from such Gross Revenues as a first charge against same.

Section 9. FLOW OF FUNDS.

(a) All Gross Revenues deposited and credited to the System Fund shall be pledged and appropriated to the extent required for the following uses and in the order of priority shown:

First: To the payment of all necessary and reasonable Maintenance and Operating Expenses, and the payment of such Maintenance and Operating Expenses shall be a first charge on and claim against the Gross Revenues.

Second: To the payment of the amounts required to be deposited in the Bond Fund for the payment of Annual Debt Service Requirements on the Bonds Similarly Secured as the same becomes due and payable.

Third: To the payment of the amounts required to be deposited in the Reserve Fund to establish and maintain the Required Reserve in accordance with the provisions of this Ordinance or any other ordinance relating to the issuance of Bonds Similarly Secured.

Fourth: To make payment, including payment of amounts required for reserve fund requirements, of all Subordinate Lien Obligations.

(b) Any Pledged Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used for any other Town purpose now or hereafter permitted by law.

Section 10. BOND FUND.

(a) For purposes of providing funds to pay the principal of, premium, if any, and interest on the Bonds Similarly Secured as the same become due and payable, including any mandatory sinking fund redemption payments, the Town agrees that it shall maintain the Bond Fund. The Town covenants to deposit and credit to the Bond Fund prior to each principal, interest payment or redemption date from the available Pledged Revenues an amount equal to one hundred percent (100%) of the amount required to fully pay the interest on and the principal of the Bonds Similarly Secured then coming due and payable.

(b) The required deposits and credits to the Bond Fund shall continue to be made as hereinabove provided until such time as (i) the total amount on deposit in and credited to the Bond Fund and the Reserve Fund, if one is required, and in any reserve fund created pursuant to the terms hereof, taking into account any Reserve Fund Obligation held in or for the benefit of any such reserve fund) is equal to the amount required to fully pay and discharge all outstanding Bonds Similarly Secured (principal, premium, if any, and interest) or (ii) the Bonds Similarly Secured are no longer outstanding.

(c) Accrued interest and capitalized interest, if any, received from the purchaser of any Bond Similarly Secured shall be taken into consideration and reduce the amount of the deposits and credits hereinabove required into the Bond Fund.

Section 11. RESERVE FUND.

(a) The Town has heretofore created, and the Town hereby agrees to maintain at a depository of the Town, a debt service reserve fund for the benefit of the Previously Issued Bonds, and such debt service reserve fund is herein referred to as the "Reserve Fund", which Reserve Fund is and will be held for the benefit of the Previously Issued Bonds, the Bonds and any Additional Bonds that may be secured thereby. In accordance with this Ordinance and the ordinances authorizing the issuance of the Previously Issued Bonds, the Town shall deposit and credit to the

Reserve Fund amounts required to maintain the balance in the Reserve Fund in an amount equal to the Required Reserve. The Required Reserve shall be maintained in the Reserve Fund at all times after the Delivery Date. The Town may fund the Reserve Fund with (i) cash on hand, (ii) proceeds from the sale of the Bonds, (iii) one or more Reserve Fund Obligations or (iv) any combination of (i) through (iii), and the Pricing Certificate shall set forth the method of funding. All funds, investments and Reserve Fund Obligations on deposit and credited to the Reserve Fund shall be used solely for (i) the payment of the principal of and interest on the Bonds, when and to the extent other funds available for such purposes are insufficient, (ii) to make Reserve Fund Obligation Payments, or (iii) to retire the last stated maturity or stated maturities of or interest on the Bonds, and any excess amount in the Reserve Fund may be transferred to the Pledged Revenue Fund and allocated in accordance with this Ordinance.

(b) When and for so long as the cash, investments and Reserve Fund Obligations in the Reserve Fund equal the Required Reserve or the portion then required to be on deposit therein, no deposits need be made to the credit of the Reserve Fund; but, if and when the Reserve Fund at any time contains less than the Required Reserve then required to be on deposit therein, the Town covenants and agrees that the Town shall cure the deficiency in the Reserve Fund by making Required Reserve Fund Deposits to such fund from the Pledged Revenues in accordance with the terms hereof by monthly deposits in amounts equal to not less than 1/60th of the Required Reserve, with any such deficiency payments being made on or before the last day of each month until the Required Reserve has been fully funded or restored. In addition, in the event that a portion of the Required Reserve is represented by a Reserve Fund Obligation, the Required Reserve shall be restored as soon as possible from monthly deposits of Pledged Revenues on deposit in the System Fund in accordance with the terms hereof, but subject to making the full deposits and credits to the Bond Fund required to be made by Section 10. The Town further covenants and agrees that, subject only to the prior deposits to be made to the Bond Fund, the Pledged Revenues shall be applied and appropriated and used to establish and maintain the Required Reserve, including by paying Reserve Fund Obligation Payments when due, and any reserve established for the benefit of any issue or series of Additional Bonds and to cure any deficiency in such amounts as required by the terms of this Ordinance and any other ordinance pertaining to the issuance of Additional Bonds. Reimbursements to the provider, if any, of a Reserve Fund Obligation shall constitute the making up of a deficiency in the Reserve Fund to the extent that such reimbursements result in the reinstatement, in whole or in part, as the case may be, of the amount of the Reserve Fund Obligation.

(c) Earnings and income derived from the investment of amounts held for the credit of the Reserve Fund shall be retained in the Reserve Fund until the Reserve Fund contains the Required Reserve. During such time as the Reserve Fund contains the Required Reserve or any cash or Permitted Investment is replaced with a Reserve Fund Obligation pursuant to subsection (d) below, the Town may, at its option, withdraw all surplus funds in the Reserve Fund and deposit such surplus in the System Fund; provided that the face amount of any Reserve Fund Obligation may be reduced at the option of the Town in lieu of such transfer. Notwithstanding the foregoing, any surplus funds in the Reserve Fund that consist of proceeds of the Bonds or interest thereon shall be used for purposes for which the Bonds were issued or deposited to the Bond Fund.

(d) The Town may at any time deposit, supplement, replace or substitute a Reserve Fund Obligation for cash or Permitted Investments on deposit in the Reserve Fund or in substitution for or replacement of any existing Reserve Fund Obligation, provided, that the deposit, supplement,

replacement or substitution of the Reserve Fund Obligation will not, in and of itself, cause any ratings then assigned to the Bonds by any Rating Agency to be lowered and the ordinance authorizing the substitution of the Reserve Fund Obligation for all or part of the Required Reserve contains a finding that such substitution is cost effective. Notwithstanding any other provision of this Ordinance, if a Reserve Fund Obligation is utilized in connection with the Bonds after the issuance date of the Bonds, the Town must specifically approve any such Reserve Fund Obligation and any such Reserve Fund Obligation must be submitted to the Attorney General of Texas (if submission is then required by law) for approval.

(e) If the Town is required to make a withdrawal from the Reserve Fund for any of the purposes described in this Section, the Town shall promptly notify the issuer of such Reserve Fund Obligation of the necessity for a withdrawal from the Reserve Fund for any such purposes, and shall make such withdrawal FIRST from available moneys or Permitted Investments then on deposit in the Reserve Fund, and NEXT from a drawing under any Reserve Fund Obligation to the extent of such deficiency.

(f) In the event there is a draw upon the Reserve Fund Obligation, the Town shall reimburse the issuer of such Reserve Fund Obligation for such draw, in accordance with the terms of any agreement pursuant to which the Reserve Fund Obligation is used, from Pledged Revenues, however, such reimbursement from Pledged Revenues shall be in accordance with the provisions of Section 9 hereof and shall be subordinate and junior in right of payment to the payment of principal of and premium, if any, and interest on the then outstanding Bonds Similarly Secured.

(g) The Town may create and establish a debt service reserve fund pursuant to the provisions of any ordinance or other instrument authorizing the issuance of Bonds Similarly Secured for the purpose of securing that particular issue or series of Bonds Similarly Secured or any specific group of issues or series of Bonds Similarly Secured (including the combining of debt service reserve funds for Bonds Similarly Secured so long as the requirements of each ordinance authorizing such Bonds Similarly Secured are satisfied), and the amounts once deposited or credited to said debt service reserve funds shall no longer constitute Pledged Revenues and shall be held solely for the benefit of the owners of the particular Bonds Similarly Secured for which such debt service reserve fund was established. Each debt service reserve fund shall receive a pro rata amount of the Pledged Revenues after the requirements of the Bond Fund, which secures all Bonds Similarly Secured, have first been met. Each such debt service reserve fund shall be designated in such manner as is necessary to identify the Bonds Similarly Secured it secures and to distinguish such debt service reserve fund from the debt service reserve funds created for the benefit of other Bonds Similarly Secured. Each ordinance authorizing the issuance of Bonds Similarly Secured that are to be secured by a debt service reserve fund shall specify the amount or a manner of calculating the amount to be held and maintained on deposit therein.

(h) The Designated Financial Officer shall recalculate the Required Reserve at the following times: (i) on the first day of each Fiscal Year, (ii) upon the issuance of Additional Bonds, to the extent such Additional Bonds will be secured by the Reserve Fund, (iii) upon the refunding or defeasance of the Bonds or any Additional Bonds secured by the Reserve Fund and (iv) upon the deposit, supplement, replacement or substitution of a Reserve Fund Obligation (each of the foregoing, a "Required Reserve Recalculation").

Section 12. INVESTMENTS; SECURITY FOR FUNDS.

(a) Money in any fund established pursuant to this Ordinance may, at the option of the Town, be invested in investments authorized by the Public Funds Investment Act, Chapter 2256, Texas government Code, as amended, consistent with the investment policy approved by the Council; provided that all such deposits and investments shall be made in such manner that the money required to be expended from any fund will be available at the proper time or times. All interest and income derived from such deposits and investments immediately shall be credited to, and any losses debited to, the Fund from which the deposit or investment was made, and surpluses in any Fund shall or may be disposed of as hereinafter provided. Such investments shall be sold promptly when necessary to prevent any default in connection with any Bonds Similarly Secured.

(b) Money in all funds created by this Ordinance, to the extent not invested, shall be secured in the manner prescribed by law for securing funds of the Town.

Section 13. DEFICIENCIES, EXCESS PLEDGED REVENUES.

(a) If on any occasion there shall not be sufficient Pledged Revenues to make the required deposits into the Bond Fund and any Reserve Fund, then such deficiency shall be made up as soon as possible from the next available Pledged Revenues, or at the option of the Town from any other sources legally available for such purpose.

(b) Subject to making the required deposits to the credit of the Bond Fund and Reserve Funds, when and as required by this Ordinance, or any ordinances authorizing the issuance of Additional Bonds, the excess Pledged Revenues may be used by the Town for any lawful purpose.

Section 14. PAYMENT OF BONDS SIMILARLY SECURED. While any of the Bonds Similarly Secured are outstanding, the Town shall transfer to the respective paying agent/registrar therefor, from funds on deposit in and credited to the Bond Fund, and, if necessary, in the Reserve Fund with respect to the Bonds, amounts sufficient to fully pay and discharge promptly the interest on and principal of the Bonds Similarly Secured as shall become due on each interest or principal payment date, or date of redemption of the Bonds Similarly Secured; such transfer of funds must be made in such manner as will cause immediately available funds to be deposited with each respective paying agent/registrar for the Bonds Similarly Secured not later than the business day next preceding the date such payment is due on the Bonds Similarly Secured. The Paying Agent/Registrar shall destroy all paid Bonds Similarly Secured and furnish the Town with an appropriate certificate of cancellation or destruction.

Section 15. ADDITIONAL BONDS.

(a) The Town shall have the right and power at any time and from time to time and in one or more series or issues, to authorize, issue and deliver Additional Bonds, in accordance with law, in any amounts, for purposes of extending, improving or repairing the System or for the purpose of refunding of any Bonds Similarly Secured, Subordinate Lien Obligations or other obligations of the Town incurred in connection with the ownership or operation of the System. Such Additional Bonds, if and when authorized, issued and delivered in accordance with this Ordinance, shall be secured by and made payable equally and ratably on a parity with all other Bonds Similarly Secured at the time outstanding and unpaid, from a first lien on and pledge of the Pledged Revenues herein granted.

(b) The Bond Fund shall secure and be used to pay all Bonds Similarly Secured. Each ordinance under which Additional Bonds are issued shall provide and require that, in addition to the amounts required by the provisions of this Ordinance and the provisions of any other ordinance or ordinances authorizing Additional Bonds to be deposited to the credit of the Bond Fund, the Town shall deposit to the credit of the Bond Fund at least such amounts as are required for the payment of all principal of and interest on said Additional Bonds then being issued, as the same come due.

(c) Additional Bonds shall be issued only in accordance with this Ordinance, but notwithstanding any provisions of this Ordinance to the contrary, no installment, series or issue of Additional Bonds shall be issued or delivered unless:

(i) The Designated Financial Officer shall have executed a certificate stating (A) (i) that, to the best of such person's knowledge and belief, the Town is not then in default as to any covenant or requirement contained in any ordinance authorizing the issuance of outstanding Bonds Similarly Secured, and (ii) payments into all special funds or accounts created and established for the payment and security of all outstanding Bonds Similarly Secured have been made and that the amounts on deposit in such special funds or accounts are the amounts then required to be on deposit therein or (B) the application of the proceeds of sale of such obligations then being issued will cure any such default or deficiency; and

(ii) The Designated Financial Officer shall have executed a certificate stating that based on the books and records of the Town, during either the preceding Year, or any twelve (12) consecutive months out of the fifteen (15) months immediately preceding the date of the then proposed Additional Bonds, the Net Earnings are at least equal to 1.25 times the Average Annual Debt Service Requirements (computed on a fiscal year basis) and 1.10 times the Maximum Annual Debt Service Requirements of the Bonds Similarly Secured to be outstanding after the issuance of the then proposed Additional Bonds.

(d) In making a determination of Net Earnings for any of the purposes described in this Section, the Designated Financial Officer may take into consideration a change in the rates and charges for services and facilities afforded by the System that became effective at least sixty (60) days prior to the date the ordinance authorizing the issuance of the Additional Bonds is adopted and, for purposes of satisfying the Net Earnings tests described above, make a pro forma determination of the Net Earnings of the System for the period of time covered by said Designated Financial Officer's certification or opinion based on such change in rates and charges being in

effect for the entire period covered by said Designated Financial Officer's certificate or opinion.

(e) Bonds Similarly Secured may be refunded (pursuant to any law then available) upon such terms and conditions as the Town may deem to be in the best interest of the Town, and the proposed refunding bonds shall be considered as "Additional Bonds" under the provisions of this Section and the certificate required in subsection (c)(ii) shall give effect to the issuance of the proposed refunding bonds and shall exclude the bonds being refunded from the calculation of Average Annual Debt Service Requirements.

(f) All calculations of Average Annual Debt Service Requirements made pursuant to this Section shall be made as of and from the date of the Additional Bonds then proposed to be issued.

Section 16. NO ISSUANCE OF OBLIGATIONS SENIOR TO THE BONDS SIMILARLY SECURED. The Town covenants and agrees that it will not issue any obligations payable from and secured, in whole or in part, by a lien on and pledge of the Pledged Revenues, senior in rank and dignity to the lien on and pledge of such Pledged Revenues securing the payment of the Bonds Similarly Secured.

Section 17. ISSUANCE OF SUBORDINATE LIEN OBLIGATIONS. The Town hereby reserves the right to issue, at any time, obligations including, but not limited to, Subordinate Lien Obligations, payable from and equally and ratably secured, in whole or in part, by a lien on and pledge of the Pledged Revenues, subordinate and inferior in rank and dignity to the lien on and pledge of the Pledged Revenues securing the payment of the Bonds Similarly Secured, as may be authorized by the laws of the State.

Section 18. ISSUANCE OF SPECIAL PROJECT OBLIGATIONS. The Town reserves the right to issue Special Project Obligations. Except as otherwise provided in the proceedings authorizing the issuance of the Special Project Obligations, all revenues received for the Special Project in excess of revenues required to pay principal and interest on the Special Project Obligations and to establish reserves and to secure, maintain and operate the Special Project shall be considered as a part of Gross Revenues.

Section 19. PARTICULAR REPRESENTATIONS AND COVENANTS.

(a) Rate Covenant. The Town shall fix, establish, maintain and collect such rates, charges and fees for the use and availability of the System at all times as are necessary to produce Gross Revenues equal to the greater of the amounts sufficient:

(i) (1) to pay all current Maintenance and Operating Expenses, and (2) to produce Net Revenues for each Fiscal Year at least equal to 1.20 times the Annual Debt Service Requirements of all then outstanding Bonds Similarly Secured; or

(ii) to pay the sum of: (1) all current Maintenance and Operating Expenses, (2) the Annual Debt Service Requirements of all then outstanding Bonds Similarly Secured and Subordinate Lien Obligations, (3) required deposits to a reserve fund for any Bonds Similarly Secured and Subordinate Lien Obligations then outstanding, and (4) amounts required to pay all other obligations of the System reasonably anticipated to be paid from Gross Revenues during the current Fiscal Year.

(b) Maintenance and Operation; Insurance. The Town hereby covenants and agrees that

the System shall be maintained in good condition and operated in an efficient manner and at reasonable cost. So long as any of the Bonds Similarly Secured are outstanding, the Town agrees to maintain casualty and other insurance on the System of a kind and in an amount customarily carried by municipal corporations owning and operating similar properties. Nothing in this Ordinance shall be construed as requiring the Town to expend any funds which are derived from sources other than the operation of the System but nothing herein shall be construed as preventing the Town from doing so.

(c) No Free Service. The Town covenants and agrees that no free service of the System shall be allowed except to institutions and buildings owned and operated by the Town.

(d) Records and Accounts; Accounting Reports. The Town hereby covenants and agrees that so long as any of the Bonds or any interest thereon remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the operation of the System parts separate and apart from all other records and accounts of the Town in which complete and correct entries shall be made of all transactions relating to said System, as provided by Chapter 1502, Texas Government Code, or other applicable law. The Owner or Owners of any Bonds or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto and to inspect the System and all properties comprising same. The Town further agrees that following the close of each Fiscal Year, it will cause an audit of such books and accounts to be made by an independent firm of certified public accountants. Each such audit, in addition to whatever other matters may be thought proper by the accountant, shall particularly include the following:

(i) A statement of the income and expenditures of the components of the System for such fiscal year;

(ii) A balance sheet as of the end of such Fiscal Year; and

(iii) A list of the insurance policies in force at the end of the Fiscal Year on the System properties, setting out as to each policy the amount thereof, the risk covered, the name of the insurer, and the policy's expiration date.

Expenses incurred in making the audits above referred to are to be regarded as Maintenance and Operating Expenses of the System and paid as such. Copies of the aforesaid annual audit shall be immediately furnished, upon written request, to the original purchasers of the Bonds and any subsequent Owner.

(e) Sale or Lease of Properties. The Town, to the extent and in the manner authorized by law, may sell or exchange for consideration representing the fair value thereof, as determined by the Council, any property not necessary or required in the efficient operations of the System, or any equipment not necessary or useful in the operations thereof or which is obsolete, damaged or worn out or otherwise unsuitable for use in the operation of the System. The proceeds of any sale of properties of the System shall be deposited in the System Fund.

(f) Competition. That so far as it legally may and subject existing agreements and certifications, the Town covenants and agrees, for the protection and security of the Bonds Similarly Secured and the holders thereof from time to time and until all Bonds Similarly Secured

shall have been retired and that it will not grant a franchise for the installation or operation of any water and/or wastewater system other than those owned by the Town, that it will prohibit the operation of any waterworks or wastewater system other than those operated by the Town.

(g) Further Covenants. The Town further covenants and agrees by and through this Ordinance as follows:

(i) That it has the lawful power to pledge the revenues supporting this issue of Bonds and has lawfully exercised said power under the Constitution and laws of the State of Texas, including power existing under Chapter 1502;

(ii) That other than for the Bonds, the Pledged Revenues have not been pledged in any manner to the payment of any debt or obligation of the Town, nor of the System, which is senior to or on a parity with the pledge of the Pledged Revenues to Bonds Similarly Secured;

(iii) It will duly and punctually keep, observe and perform each and every undertaking, covenant and condition on its part to be kept, observed and performed, contained in this Ordinance and in the ordinances authorizing the Previously Issued Bonds and any Additional Bonds, and that it will prior to the maturity of each installment of interest and prior to the maturity of each Bond, Previously Issued Bond and Additional Bond issued thereunder, make available at the principal office of the Paying Agent/Registrar, but only from the sources herein provided, sufficient funds to promptly pay such principal and interest; and

(iv) The Town will comply with all of the terms and conditions of any and all franchises, permits and authorizations applicable to or necessary with respect to the System, and which have been obtained from any governmental agency; and the Town has or will obtain and keep in full force and effect all franchises, permits, authorizations and other requirements applicable to or necessary with respect to the acquisition, construction, equipment, operation and maintenance of the System.

Section 20. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Town with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the System revenues herein pledged as provided in this Ordinance, and such principal and interest

shall be payable solely from such money or Defeasance Securities, and thereafter the Town will have no further responsibility with respect to amounts available to the Paying Agent/Registrar (or other financial institution permitted by applicable law) for the payment of such Defeased Bonds, including any insufficiency therein caused by the failure of the Paying Agent/Registrar (or other financial institution permitted by applicable law) to receive payment when due on the Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsections (a)(i) or (ii) of this Section shall not be irrevocable, provided that (1) in the proceedings providing for such payment arrangements, the Town expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Town also be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Town, or deposited as directed in writing by the Town. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsections (a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Town or deposited as directed in writing by the Town.

(c) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Town shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(d) In the event that the Town elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 21. **DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.** (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the Town and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or

damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the registered owner shall furnish to the Town and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the Town may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Town whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Bonds duly issued under this Ordinance.

(e) Authority for Issuing Replacement Bonds. In accordance with Subchapter B, Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the Town or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in this Ordinance for Bonds issued in conversion and exchange for other Bonds.

Section 22. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED. The Mayor (or, in the absence of the Mayor, the Mayor Pro Tem) is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination and approval by the Attorney General, and their registration by the Comptroller. Upon registration of the Bonds, the Comptroller (or a deputy designated in writing to act for the Comptroller) shall sign the Comptroller's Registration Certificate attached to such Bonds in the manner prescribed by law, and the seal of the Comptroller shall be impressed, or placed in facsimile, on such Bond. The approving legal opinion of the Town's Bond Counsel and the assigned CUSIP numbers may, at the option of the Town, be printed on the Bonds issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. In addition, if bond insurance is obtained, the Bonds may bear an appropriate legend as provided by the insurer.

Section 23. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS. (a) Covenants. The Town covenants to take any action necessary to assure, or refrain

from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Town covenants as follows:

(i) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Town, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(ii) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(iii) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(iv) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(v) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(vi) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with:

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148 1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(vii) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(viii) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(ix) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the Town for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Use of Proceeds. The Town understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the Town that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the Town will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the Town agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Town hereby authorizes and directs the Authorized Officials to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Town, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Allocation of, and Limitation on, Expenditures for the Project. The Town covenants to account for the expenditure of sale proceeds and investment earnings to be used for the Project on its books and records in accordance with the requirements of the Code. The Town recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the

date on which the original expenditure is paid. The foregoing notwithstanding, the Town recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the Delivery Date, or (2) the date the Bonds are retired. The Town agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the Town shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of the Project. The Town covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Town of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Bonds. For purpose of the foregoing, the Town may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Town shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 24. SALE OF BONDS; OFFICIAL STATEMENT. (a) The Bonds shall be sold and delivered subject to the provisions hereof and pursuant to the terms and provisions of a Purchase Contract, which the Pricing Officer is hereby authorized to execute and deliver and in which the Underwriter shall be designated. The Bonds shall initially be registered in the name of the Underwriter, unless otherwise set forth in the Pricing Certificate.

(b) The Pricing Officer is hereby authorized, in the name and on behalf of the Town, to approve the distribution and delivery of a preliminary official statement and a final official statement relating to the Bonds to be used by the Underwriter in the marketing of the Bonds, if applicable.

Section 25. FURTHER PROCEDURES; ENGAGEMENT OF BOND COUNSEL; ATTORNEY GENERAL FILING FEE. (a) The Authorized Officials, individually or jointly, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name and under the corporate seal and on behalf of the Town such documents, certificates and instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Letter of Representations, the Bonds and the sale of the Bonds. In addition, prior to the delivery of the Bonds, the Authorized Officials are each hereby authorized and directed to approve any changes or corrections to this Ordinance or to any of the documents authorized and approved by this Ordinance: (i) in order to cure any ambiguity, formal defect, or omission in this Ordinance or such other document, or (ii) as requested by the Attorney General or his representative to obtain the approval of the Bonds by the Attorney General. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

(b) The obligation of the Underwriter to accept delivery of the Bonds is subject to the Underwriter being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Town, which opinion shall be dated as of and delivered on the Delivery Date. The engagement of such firm as bond counsel to the Town in connection with issuance, sale and delivery of the Bonds is hereby approved and confirmed.

(c) In accordance with the provisions of Section 1202.004, Texas Government Code, in connection with the submission of the Bonds to the Attorney General for review and approval, a statutory fee (an amount equal to 0.1% principal amount of the Bonds, subject to a minimum of \$750 and a maximum of \$9,500) is required to be paid to the Attorney General upon the submission of the transcript of proceedings for the Bonds. The Town hereby authorizes and directs that a check in the amount of the Attorney General filing fee for the Bonds, made payable to the "Texas Attorney General," be promptly furnished to the Town's Bond Counsel, for payment to the Attorney General in connection with his review of the Bonds.

Section 26. COMPLIANCE WITH RULE 15c2-12. (a) If the Bonds are sold by public offering, and are subject to the Rule (as defined below), the following provisions shall apply, unless modified by the Pricing Officer in the Pricing Certificate:

(C) If the Town changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the Town otherwise would be required to provide financial information and operating data pursuant to this Section.

(D) All financial information, operating data, financial statements and notices required by this Section to be provided to the MSRB shall be provided in an electronic format and be accompanied by identifying information prescribed by the MSRB. Financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document) available to the public on the MSRB's Internet Web site or filed with the SEC.

- (16) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Town, any of which reflect financial difficulties.

For these purposes, (a) any event described in the immediately preceding paragraph (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Town in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Town, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers of the Town in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Town, and (b) the Town intends the words used in the immediately preceding paragraphs (15) and (16) and the definition of Financial Obligation in this Section to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018.

The Town shall notify the MSRB, in a timely manner, of any failure by the Town to provide financial information or operating data in accordance with subsection (a)(ii) of this Section by the time required by subsection (a)(ii).

(iv) Limitations, Disclaimers and Amendments. (A) The Town shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Town remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the Town in any event will give notice of any deposit made in accordance with this Ordinance or applicable law that causes the Bonds no longer to be outstanding.

(B) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Town undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Town's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Town does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(C) UNDER NO CIRCUMSTANCES SHALL THE TOWN BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE TOWN, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT

SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(D) No default by the Town in observing or performing its obligations under this Section shall comprise a breach of or default under the Ordinance for purposes of any other provision of this Ordinance. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Town under federal and state securities laws.

(E) The provisions of this Section may be amended by the Town from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Town, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the Town (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. If the Town so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Town may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

(b) If the Bonds are sold by private placement, the Pricing Officer may agree to provide for an undertaking in accordance with the Rule or may agree to provide other public information to the Underwriter as may be necessary for the sale of the Bonds on the most favorable terms to the Town.

Section 27. METHOD OF AMENDMENT. The Town hereby reserves the right to amend this Ordinance subject to the following terms and conditions, to-wit:

(a) The Town may from time to time, without the consent of any Registered Owner, except as otherwise required by paragraph (b) below, amend or supplement this Ordinance to (i) cure any ambiguity, defect or omission in this Ordinance that does not materially adversely affect the interests of the Registered Owners, (ii) grant additional rights or security for the benefit of the Registered Owners, (iii) add events of default as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interests of the Registered Owners, (v) qualify this Ordinance under the Trust Indenture Act of 1939, as amended, or

corresponding provisions of federal laws from time to time in effect, or (iv) make such other provisions in regard to matters or questions arising under this Ordinance as shall not be materially inconsistent with the provisions of this Ordinance and that shall not, in the opinion of nationally-recognized bond counsel, materially adversely affect the interests of the Registered Owners.

(b) Except as provided in paragraph (a) above, the holders of Bonds aggregating in a majority of the principal amount of then outstanding Bonds that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Town; provided, however, that without the consent of 100% of the Registered Owners in aggregate principal amount of the then outstanding Bonds, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Ordinance or in any of the Bonds so as to:

- (1) Make any change in the maturity of any of the outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the outstanding Bonds;
- (3) Reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Bonds;
- (4) Modify the terms of payment of principal or of interest or redemption premium on outstanding Bonds or any of them or impose any condition with respect to such payment; or
- (5) Change the minimum percentage of the principal amount of the Bonds necessary for consent to such amendment.

(c) If at any time the Town shall desire to amend this Ordinance under this Section, the Town shall send by U.S. mail to each registered owner of the affected Bonds a copy of the proposed amendment.

(d) Whenever at any time within one year from the date of mailing of such notice the Town shall receive an instrument or instruments executed by the Registered Owners of at least a majority in aggregate principal amount of all of the Bonds then outstanding that are required for the amendment (or 100% if such amendment is made in accordance with paragraph (b)), which instrument or instruments shall refer to the proposed amendment and which shall specifically consent to and approve such amendment, the Town may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance with such amendatory Ordinance, and the respective rights, duties, and obligations of the Town and all Registered Owners of such affected Bonds shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the Registered Owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of such consent and shall be conclusive and binding upon all future Registered Owners of the same Bond during such

period. Such consent may be revoked at any time after six months from the date of said consent by the Registered Owner who gave such consent, or by a successor in title, by filing notice with the Town, but such revocation shall not be effective if the Registered Owners the required amount of the affected Bonds then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

(g) For the purposes of establishing ownership of the Bonds, the Town shall rely solely upon the registration of the ownership of such Bonds on the Registration Books kept by the Paying Agent/Registrar.

Section 28. INTEREST EARNINGS ON BOND PROCEEDS; USE OF PREMIUM RECEIVED FROM SALE OF BONDS. (a) Interest Earnings. Interest earnings derived from the proceeds that are deposited to the Capital Projects Fund (defined below) shall be retained therein and used for the purposes for which the Bonds were issued, provided that after the completion of such purposes, any amounts remaining therein shall be deposited to the Interest and Sinking Fund for the Bonds. It is further provided, however, that any interest earnings on bond proceeds that are required to be rebated to the United States of America pursuant to this Ordinance in order to prevent the Bonds from being arbitrage bonds shall be so rebated and not considered as interest earnings for purposes of this Section.

(b) Use of Bond Premium. The net premium received from the sale of the Bonds shall be applied as determined by the Pricing Officer in the Pricing Certificate.

(c) Use of Bond Proceeds.

(i) The Town has heretofore created and established, and hereby covenants to continue to maintain on the books of the Town, a separate fund entitled the "Capital Projects Fund" (the "Capital Projects Fund") for use by the Town for payment of all lawful costs associated with the Project. Proceeds of the Bonds in the amount determined by the Pricing Officer in the Pricing Certificate shall be deposited into the Capital Projects Fund. In addition, the amount to be applied against each bond proposition shall be determined by the Pricing Officer in the Pricing Certificate, and the table in the preambles hereto shall be reproduced in the Pricing Certificate to reflect such determination. Upon payment of all Project costs, any Bond proceeds remaining on deposit in the Capital Projects Fund shall be transferred to the Interest and Sinking Fund. Amounts so deposited to the Interest and Sinking Fund shall be used in the manner described in this Ordinance.

(ii) The Town may place proceeds of the Bonds (including investment earnings thereon) and amounts deposited into the Interest and Sinking Fund in investments authorized by the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended; provided, however, that the Town hereby covenants that the proceeds of the sale of the Bonds will be used as soon as practicable for the Project.

(iii) All deposits authorized or required by this Ordinance shall be secured to the fullest extent required by law for the security of public funds.

Section 28. GOVERNING LAW. This Ordinance shall be construed and enforced in accordance with the laws of the State and the United States of America.

Section 29. SEVERABILITY. If any provision of this Ordinance or the application thereof to any circumstance shall be held to be invalid, the remainder of this Ordinance and the application thereof to other circumstances shall nevertheless be valid, and this governing body hereby declares that this Ordinance would have been enacted without such invalid provision.

Section 30. EVENTS OF DEFAULT. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an event of default (an "Event of Default"):

(i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the Town, the failure to perform which materially, adversely affects the rights of the Registered Owners, including, but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Registered Owner to the Town.

Section 31. REMEDIES FOR DEFAULT. (a) Upon the happening of any Event of Default, then and in every case, any Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Town for the purpose of protecting and enforcing the rights of the Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 32. REMEDIES NOT EXCLUSIVE. (a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(c) By accepting the delivery of a Bond authorized under this Ordinance, such Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or officials of the Town or the Council.

Section 33. EFFECTIVE DATE. In accordance with the provisions of Texas Government Code, Section 1201.028, this Ordinance shall be effective immediately upon its adoption by the Council.

ON THE MATURITY DATE specified above, TOWN OF PROSPER, TEXAS, in Collin and Denton Counties, Texas (the "Town"), being a political subdivision of the State of Texas, hereby promises to pay to the Registered Owner set forth above, or registered assigns (hereinafter called the "registered owner") the principal amount set forth above, and to pay interest thereon from the [Delivery Date], on [February 15, 2026 and on each August 15 and February 15] thereafter to the maturity date specified above, or the date of redemption prior to maturity, at the interest rate per annum specified above; except that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged or converted from is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full.

THE PRINCIPAL OF AND INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each owner of a Bond appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice. Capitalized terms used herein but not otherwise defined shall have the meanings given to such terms in the Bond Ordinance.

ANY ACCRUED INTEREST due at maturity or upon the redemption of this Bond prior to maturity as provided herein shall be paid to the registered owner upon presentation and surrender of this Bond for payment at the principal corporate trust office of the Paying Agent/Registrar. THIS BOND is dated _____, 2025, and is authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$_____ for the acquisition, construction, installation and equipment of additions, improvements and extensions to the Town's waterworks and sewer system and paying the costs incurred in connection with the issuance of the Bonds.

IN ADDITION TO THE FOREGOING OPTIONAL REDEMPTION, the Bonds scheduled to mature on [August 15], 20__ (the "Term Bonds") are subject to scheduled mandatory redemption by the Paying Agent/Registrar by lot, or by any other customary method that results in a random selection, at a price equal to the principal amount thereof, plus accrued interest to the redemption date, out of moneys available for such purpose in the interest and sinking fund for the Bonds, on the dates and in the respective principal amounts, set forth in the following schedule:

* Stated maturity.

The principal amount of Term Bonds required to be redeemed on any mandatory redemption date pursuant to the operation of the mandatory sinking fund redemption provisions shall be reduced, at the option of the Town, by the principal amount of any Term Bonds which, at least 45 days prior to a mandatory redemption date (1) shall have been acquired by the Town at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the Town at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase, or (3) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory redemption requirement.

AT LEAST 30 days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, to the registered owner of each Bond to be redeemed at its address as it appeared at the close of business on the day of mailing such notice; provided, however, that the failure of the registered owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond. By the date fixed for any such redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof which are to be so redeemed. If such written

notice of redemption is sent and if due provision for such payment is made, all as provided above, the Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the registered owner, and in aggregate amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Town, all as provided in the Bond Ordinance.

WITH RESPECT TO ANY OPTIONAL REDEMPTION OF THE BONDS, unless certain prerequisites to such redemption required by the Bond Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption may, at the option of the Town, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Town shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Bond Ordinance, this Bond may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate registered owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Ordinance. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the Town. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be

paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer or exchange of any Bonds during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date or, with respect to any Bond or any portion thereof called for redemption prior to maturity, within 30 days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Town, resigns, or otherwise ceases to act as such, the Town has covenanted in the Bond Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited and covenanted that this Bond has been duly and validly authorized, issued and delivered; that all acts, conditions and things required or proper to be performed, exist and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed and been done in accordance with law; that this Bond and all of the bonds of the series of which it is a part constitute special obligations of the Town, and, together with all other Outstanding Bonds Similarly Secured, are payable as to both principal and interest solely from and equally secured by a first lien on and pledge of the Pledged Revenues. Reference is hereby made to the Ordinance for a more complete statement of the covenants and provisions securing the payment of this Bond and the series of which it is one.

THE TOWN EXPRESSLY RESERVES the right to issue further and additional special revenue obligations equally secured by a lien on and pledge of the Pledged Revenues on a parity with the Bonds of this issue; provided, however, that any and all such additional parity obligations may be issued only in accordance with and subject to the covenants, conditions, limitations and restrictions relating thereto which are set out and contained in the Ordinance, to which reference is hereby made for more complete and full particulars.

THE HOLDER HEREOF shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Ordinance, agrees to be bound by such terms and provisions, acknowledges that the Bond Ordinance is duly recorded and available for inspection in the official minutes and records of the governing body of the Town, and agrees that the terms and provisions of this Bond and the Bond Ordinance constitute a contract between each registered owner hereof and the Town.

IN WITNESS WHEREOF, the Town has caused this Bond to be signed with the manual or facsimile signature of the Mayor of the Town and countersigned with the manual or facsimile signature of the Town Secretary of the Town, and has caused the official seal of the Town to be duly impressed, or placed in facsimile, on this Bond.
