Prosper Oaks

Development Schedule

It is anticipated the development of Prosper Oaks will begin within one to two years after approval and signing of this Planned Development zoning ordinance. Immediately following the zoning process, a preliminary plat and development agreement shall be prepared and submitted for Town review and approval. Overall, the development schedule for the approximate 373.5 acres will be phased over the next five to eight years and is primarily dependent on the marketability of the market rate and age qualified products.

The development schedule is subject to change due to various factors beyond the control of the developer, such as housing market conditions, construction materials and labor availability, acts of nature, and other similar conditions.
