

PETITION FOR INSTALLATION OF NO STANDING/PARKING DURING POSTED HOURS ON SCHOOL DAYS

PETITION

We the undersigned residents of Lakewood at Brookhollow Prosper , request that consideration be given to

INSTALLATION of NO PARKING/STANDING SIGNAGE 7AM - 9AM and 2PM - 4PM SCHOOL DAYS

For the following street in the **TOWN of PROSPER ,TEXAS**

1. FOXFIELD CT

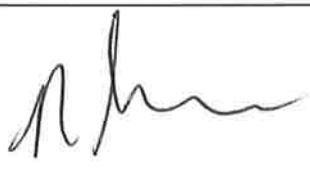

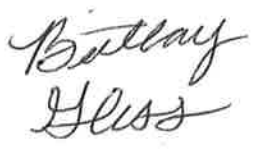

In support of this petition, we the residents of **FOXFIELD CT, PROSPER** have the following reasons

1. **Safety** : On School Days between 7am-9am and 2pm-4pm, a considerable number of vehicles idle/stand in our street. This makes streets impassable for first responder vehicles to enter or leave the neighborhood and as children run out between parked vehicles they cannot be seen and could be struck by vehicles attempting to drive through the area. These vehicles are with running engines and/or tinted, sometimes without clear visibility of the occupant. We fear for our safety and the safety of our children who are exposed to possible unsavory elements.
2. **Property Damage** : During school hours, a lot of vehicles swerve in our driveways and/or make wild turns, in the angst to pick up their kids. We the residents are not willing to undertake the risk of property damage.
