Project/Issue Name: 24-R-49 A Resolution of the City Council Authorizing the City Administrator to Dispose of Surplus City Vehicles in Accordance with the City's Purchasing Policy.

Submitted By: David Cameron, City Administrator

Date: November 19, 2024

Issue Statement

To dispose of two dump trucks in accordance with the city's surplus property policy.

Discussion and/or Analysis

The Public Works Department has identified several vehicles, including two dump trucks, for sale at auction. According to the city's surplus property policy, the disposal of property valued up to \$10,000.00 can be approved by the City Administrator. While the vehicles were not expected to exceed \$10,000.00 at auction, the two dump trucks sold for \$10,650.00 and \$10,300.00, respectively. Any disposal over \$10,000.00 requires City Council approval. Staff is therefore requesting Council authorization to complete the sale of these two vehicles in accordance with city policy.

Recommended Action

Staff recommends approval.
