Issue Statement

The adoption of the 2025 Multi-Jurisdictional Mitigation Plan for the City of Republic to comply to Federal guidelines for grant considerations.

Discussion and/or Analysis

The City is required to develop and review a five-year Mitigation Plan in order to receive Federal Funding. As with the previous 3 plans I have opted to be included in the Greene County Multi-Jurisdictional Plan to reduce cost to the City. Information for the projects was obtained from Builds, IT, and public safety starting in May 2024 and submitted to Greene County OEM for insertion into the templet August 2024. The multi-jurisdictional plan was reviewed by State Emergency Management, and Federal Emergency Management, and returned for adoption.

Recommended Action

The Emergency Management Director, Lynn Hollandworth recommends the adoption of the 2025 Greene County Multi-Jurisdictional Plan.
