

AGENDA ITEM ANALYSIS

Project/Issue Name: 21-R-15 A Resolution of the City Council of the City of Republic, Missouri, Authorizing the Mayor to Enter into Agreement Addendums with the Municipal Judges Regarding Terms for the Arraignment of Municipal Inmates.

Submitted By: Jared Keeling, Assistant City Administrator

Date: April 20, 2021

Issue Statement

To amend the agreement for services for Municipal Judges.

Discussion and/or Analysis

The City of Republic currently has an agreement in place for Municipal Judges. In March 2021, the Greene County Sheriff announced the availability of jail space to start accepting municipal inmates in the Greene County Jail. Defendants in custody for municipal warrants have a right to appear before a Municipal Judge within a set time frame. In response to this change, terms need to be established between the City of Republic and the Municipal Judges for compensation for the additional work required in the arraignment of municipal inmates within the time frame allowed. The proposed amendment will include an additional "warrant docket" flat rate of \$125.00.
