

## AGENDA ITEM ANALYSIS

Project/Issue Name: 21-R-56 A Resolution of the City Council of the City of Republic, Missouri, Approving a List of Qualified Engineering and Architectural Firms for As-Needed Use in 2022.

Submitted By: Garrett Brickner, Engineering Manager

Date: Tuesday, November 16, 2021

### Issue Statement

A resolution to Approve List of Qualified Engineering & Architectural Firms for As-Needed Use in 2022.

### Discussion and/or Analysis

The City released a Request for Qualifications (RFQ) to engineering and architectural firms in the region in September 2021. A total of thirteen firms submitted qualifications for review, each with varying qualifications for specific needs (see table below). The City would like to keep each firm as an option to use on an as-needed basis for projects throughout 2022. Staff will select 3-4 firms for each project and score them based on the specific needs of that project. The highest scoring firm will be selected for that particular project.

Company	General Civil Engineering	Engineering/Architectural Review	Geotechnical Engineering	Construction Management	Infrastructure Inspections	Building Inspections
