

AGENDA ITEM ANALYSIS

Project/Issue Name: 24-R-38 A Resolution of the City Council Awarding the Bid for Stormwater Materials for the Iron Grain Lane Project to Scurlock Industries of Springfield, Inc.

Submitted By: Angel Falig, City Engineer

Date: September 10, 2024

Issue Statement

A resolution of the City Council awarding the bid for stormwater materials for the Iron Grain Lane Improvements to Scurlock Industries.

Discussion and/or Analysis

The BUILDS Department solicited bids for stormwater materials related to a capital improvement project at Iron Grain Lane. The improvements include the replacement of an undersized double box culvert, street widening with the installation of curb and gutter and sidewalk.

Scurlock was the lone bidder to supply the materials for the project at a total of \$111,111.50. In addition, we request an additional 5% for possible contingencies. The not to exceed amount requested is \$117,000.00. Material expenses for this project will be paid for out of the Street Budget, with the exception of the double box culvert which will be paid for out of the Stormwater Fund.

Recommended Action

Staff recommends approval.
