NOTES: The coordinating notes (subscript 1-12) concerning this table are contained in Section 405.545: Height and Area Exceptions and Conditions.

405.545 Height And Area Exceptions And Conditions [Edit](#)

- A. The dwelling unit shall be placed on one (1) interior side property line with a zero (0) setback and the dwelling unit setback on the other interior side property line shall be a minimum of ten (10) feet, excluding the connecting elements such as fences, walls and trellises, but including covered porches, patios and storage spaces which are part of the principal structure. Non-zero lot line dwelling units shall comply with the interior side yard setbacks of the appropriate single-family residential district.
- B. The minimum interior side or rear yard setback shall be as established in Section **405.540** unless the premises is located adjacent to a residential zoning district, in which case the minimum rear yard and side yard setback shall each be twenty-five (25) feet.
- C. The minimum interior side or rear yard setback shall be as established in Section **405.540** unless the premises is located adjacent to a residential zoning district, in which case the minimum rear yard and side yard setback shall each be thirty-five (35) feet in a "M-1" District; and fifty (50) feet in a "M-2" District.
- D. No maximum building height unless the structure is adjacent to a single-family residential district, in which case the height of the structure shall remain below a forty-five degree (45°) bulk plane as measured from the boundary of the adjacent residential district.
- E. The minimum lot width on a cul-de-sac shall be measured across the front of the lot at the radius of the twenty-five (25) feet setback.

405.550 Generally [Edit](#)

- A. Where a lot of record at the time of the effective date of this ordinance has less area or width than herewith required in the district in which it is located, said lot may nonetheless be used for a single-family dwelling use permitted in the district in which it is located.
- B. Where a use is permitted in a less restrictive district in which the property is zoned, the use shall be subject to the area regulations of similar and appropriate districts. Determination of which shall be based on use and the closest lot size, without exceeding the minimum requirements for that district. When single-family is permitted, the area regulations for the "R1-M" shall apply.
- C. Minimum lot width on a cul-de-sac shall be measured at the building setback as established in Section **405.540**.
