

PROCLAMATION PARKS AND RECREATION MONTH

WHEREAS, the City of Republic is defined by more than our infrastructure—it is built on the shared laughter at our playgrounds, the thrill of a winning goal, and the beauty of our open green spaces; and

WHEREAS, our Parks and Recreation team are the superheroes of our community. They are the architects of our most cherished memories, transforming fields into playgrounds, maintaining our trails, and ensuring every picnic, league, and festival is a moment we treasure; and

WHEREAS, these professionals do far more than maintain our grounds; they are the dedicated guardians to the gateway of fun. Whether battling the summer sun or working behind the scenes to orchestrate our community events, they serve our city with heroic excellence; and

WHEREAS, without the tireless vision of this team, our seasons would be defined only by the changing colors and temperatures. Instead, they turn our city into a place of celebration throughout the year. They are the masters of our memories, the champions of our community spirit, and the essential force that keeps our city vibrant, safe, and connected; and

WHEREAS, they perform these duties with grit, kindness, and a smile, proving that they don't just care for our parks—they care for the very heartbeat of our community;

NOW, THEREFORE, I, Eric Franklin, Mayor of the City of Republic, do hereby proclaim the month of July 2026 as:

"PARKS AND RECREATION MONTH"

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seal of the City of Republic, this 21st day of July 2026.

Eric Franklin, Mayor
