

CITY OF RICHLAND CENTER
AGENDA ITEM DATA SHEET FOR
CITY PLANNING COMMISSION

Agenda Item: Presentation by MSA Engineering and discussion on the HWY 14 Traffic Study – Starlite Lane to Hwy 58 (Eric Frailing)

Meeting Date: 1/10/2024

Requested by: Jasen Glasbrenner - Economic Development Director

Agenda Item Prepared by: Same

Background:

- The City Council authorized this traffic study at their 9/5/2023 meeting.
- The purpose of the study was to gather data on current traffic patterns, assess current access points along HWY 14, and assist the City in understanding any improvements that may need to be considered in their short, mid, and long range planning.
- The City Council received a brief overview of the preliminary findings at their December 5th, 2023 meeting.

Staff Recommendation:

Financial Impact:

N/A

Funding Source:

N/A

Requested Action:

Motion to accept the Traffic Study with requested edits.
