

CITY OF RICHLAND CENTER - AGENDA ITEM DATA SHEET

Agenda Item: Consider approval of placing a Story Walk entrance sign in Krouskop Park

Committee Review: Park Board

Meeting Date: September 28, 2026

Requested by: Jodi Mieden- Recreation Director

Background: A request by the Brewer Public Library Director was emailed to discuss the possibility of adding a sign at the entrance of the Story Walk to attract more visitors. Pilla was thinking something along the lines of 5-6 feet high x 3-4 feet wide. Pilla plans to propose the concept to the Brewer Public Library Foundation at their meeting in October. See the example of proposed signage below. Color scheme will need to follow the City of Richland Center's Branding Guidelines.

Department Recommendation: Approve moving forward with new main signage for more attraction visibility. Discuss with Public Works on appropriate placement

Funding Source: Brewer Public Library Foundation
