<b>BUSINESS:</b>	Shamrock Services	<b>DISTRICT:</b>	Commercial General
<b>MEETINGS:</b>	Planning1/22 & Council 2/4, 3/4, & 4/15/25	<b>DESCRIPTION:</b>	Tree Service/Auto Repair

**BACKGROUND**

Following a period of vacancy, a new business began operating from the subject property which came to the attention of the Zoning Department. After reviewing zoning records, it was determined that a Conditional Use Permit (CUP) had been issued to a previous auto and tire repair shop in this location but was not transferred to the new business, Shamrock Services. A new CUP must be obtained by Shamrock Services to allow for the operation of an auto and tire repair shop in a commercial general zoning district.

After becoming aware of the violation, a Notice of Violation was issued to Shamrock Services on December 3, 2024, for operating without the required CUP. On December 16<sup>th</sup>, the applicant applied for a new CUP.

At the March 4, 2025 Common Council meeting, the applicant advised that he was operating a tree service business from the subject property not an auto repair facility. He further explained that the auto repair work conducted onsite was for personal vehicles only. Given the discrepancy in use of the parcel, more information was necessary to determine the appropriate path forward and necessity of CUP.
