## Committee Background Preference

1. Select your top three (3) preferred assignments
2. Provide a brief explanation (2-3 sentences or bullet points) of your relevant experience, skills, or knowledge that make you a strong candidate for each of your selections.

**Preference 1:**

Finance & Budget

### Relevant experience, skills, or knowledge:

I have experience - served 4/5 years. 2014 SWTC - Business w/Finance Cert. (4.0) I am dedicated to finding and questioning how tax dollars are allocated. I am willing to learn more about municipal budgets, and I have listened to and read information to help us manage our growth.

I believe that it is very important for this committee to have Alders who are committed and have served previously. I have worked on the Library Board budget for the past 7 years.

I think it would be great to have rotation - a new member who would attend each meeting (non-voting) and then one member would rotate out.

**Have you previously served on this committee?**

Yes

**Preference 2:**

Library Board

**Relevant experience, skills, or knowledge:**

I have served 7 years. on this Board, and the last 2/3 as the President. This is another appointment that requires some background/history, as only one member of the Board serves from the City. I know that we have worked hard to establish a good working relationship with the City, and within our community. From most comments I have heard, we are succeeding!

**Have you previously served on this committee?**

Yes

**Preference 3:**

Plan Commission

**Relevant experience, skills, or knowledge:**

I am a former Realtor, have a Paralegal Cert., and experience working with Zoning during that time. I have worked on the Comprehensive Plan, and projects that could benefit our city. I enjoy the work that the Plan Commission is responsible for, so therefore I have, and would continue to be an engaged Commissioner.

**Have you previously served on this committee?**

**Alternate Preference 3**

**Conflict of Interest or Ineligibility**
