Committee Background Preference

1. Select your top three (3) preferred assignments
2. Provide a brief explanation (2-3 sentences or bullet points) of your relevant experience, skills, or knowledge that make you a strong candidate for each of your selections.

Preference 1:

Public Works

Relevant experience, skills, or knowledge:
I am a current member of this committee. I feel my farm background is an asset to my understanding of some of the issues the committee deals with. I also believe my experience as a business owner is beneficial. After a year's experience, I am better prepared to be of service to the community.

Have you previously served on this committee?

Yes

Preference 2:

Public Safety

Relevant experience, skills, or knowledge:
I am a current member of this committee as well. I feel my years of working with the PD and the community allows me to have an understanding of the majority of issues the committee deals with.

Have you previously served on this committee?

Yes

Preference 3:

Tourism Commission

Relevant experience, skills, or knowledge:
I am a current member and chair of this committee. I feel my years of working with tourism, the chamber and other community groups gives me a good background as a member of the Tourism Commission. With a year's experience and the understanding I have gained concerning room tax and funding of the Tourism Commission, I believe I am in a position to be a greater asset to council on this committee.

Have you previously served on this committee?

Yes
