Budget for and seek out a contract to develop and administer a new city website as well as a new						
website for the city/county tourism department. Do this in coordination with branding and other						
narketing efforts.						
ncrease the capacity of the city to develop a brand and market the city. This includes developing						
elationships with marketing and branding firms, website development and administration,						
professional photographers, and regional tourism agencies.						
Create a new "family" of logos and branding to be used by city departments and in tourism efforts						
Ensure these branding is consistent across all platforms including the city's website, internal and						
public-facing documents, and entry-way signage.						
Under the leadership of Richland Economic Development, Richland Center Chamber of Commerce, and						
ichland Tourism develop a 5-year marketing plan that utilizes traditional marketing strategies such as print						
nd radio, as well as new marketing efforts that utilizes google and Facebook directed ads, meta data						
collection, and the increasing ability of people to work at home.						
Promote and encourage the promotion of the unique and family friendly experiences available in Richland						
Center. Ensure the regional population and other target markets are reminded of these closer-to-home						
xperiences that rival those in larger cities. These experiences include Richland Center's semi-pro (home-
