

CITY OF RICHLAND CENTER

AGENDA ITEM DATA SHEET

Agenda Item: Consider Sale of Buildings & Grounds 2006 Case IH Tractor

Requested & Presented by: Jasen Glasbrenner

Meeting Date: Public Works Committee on 05-15-2025
Finance & Common Council on 06-03-2025

Committee Review:

Background: This 2006 Case IH DX25E Tractor was brought into our fleet new and currently has about 1,410 hours on it. With our current equipment inventory of 5 subcompact tractors, the Case IH is surplus to departmental needs. Similar sales indicate an approximate value of \$5,000. If the sale is approved, we anticipate listing the equipment with Wisconsin Surplus as soon as possible.

Department Recommendation: Authorize the sale of the 2006 Case IH Tractor.

Financial Impact: Revenue from Sale

Funding Source: N/A

Requested Action:

Public Works: Motion to recommend to the Finance Committee the approval of the sale of the 2006 Case IH Tractor.

Finance: Motion to recommend to the Common Council the approval of the sale of the 2006 Case IH Tractor.

Council: Motion to approve the sale of the 2006 Case IH Tractor.
