

CITY OF RICHLAND CENTER

AGENDA ITEM DATA SHEET

Agenda Item: Consider Sale of Buildings & Grounds/Parks & Recreation 2016 Ford Explorer Interceptor

Requested & Presented by: Director Glasbrenner & Director Mieden (Presented by DPW Glasbrenner)

Meeting Date: Public Works Committee on 05-15-2025
Finance & Common Council on 06-03-2025

Committee Review:

Background: The 2016 Ford Explorer Interceptor currently assigned to the Buildings & Grounds/Parks & Recreation Department was transferred from the Richland Center Police Department (RCPD) in December 2020. The vehicle has noted transmission and electrical issues that limit its reliability and usefulness. The current mileage is 116,529.

Following RCPD's recent acquisition of a new vehicle, they have offered to transfer another Explorer of the same model year—currently in better condition—to replace the current unit. As a result, the original Explorer is now surplus to departmental needs.

Based on comparable listings on Wisconsin Surplus, its estimated market value is around \$5,000. If approved, the City intends to proceed with listing the vehicle for sale on Wisconsin Surplus at the earliest opportunity.

Department Recommendation: Authorize the sale of the 2016 Ford Explorer Interceptor.

Financial Impact: Revenue from Sale

Funding Source: N/A

Requested Action:

Public Works: Motion to recommend to the Finance Committee the approval of the sale of the 2016 Ford Explorer Interceptor.

Finance: Motion to recommend to the Common Council the approval of the sale of the 2016 Ford Explorer Interceptor.

Council: Motion to approve the sale of the 2016 Ford Explorer Interceptor.
