

JULY 2026 – PARKS MEETING

SENIOR CENTER REPORT BY CHERYL HEFFNER

The Brewers Game was on July 18th; 22 people were able to go from Richland Center. The Brewers won the game so that made it good day for everyone.

We started playing the card game 500 on Thursday afternoons as we have had many people interested in playing. We would like to have a 500 tournament sometime in the future.

I am always open to starting new activities that people are interested in. At the present time I have a group interested in playing Mahjong, and we are working on a time that would work for all concerned.

The presentation at Senior Solutions at the Richland Hospital went well. There were questions asked by the people and they seemed interested in the activities and trips we have. Hopefully, this will bring more people to the Senior Center.

The next trip to the Diamond Jo Casino will be on Thursday July 30th and I am still getting more people to take the trip.
