AGENDA ITEM DATA SHEET

Agenda Item: Discussion & possible action on leachate line jetting and televising

Meeting Date: 7/11 /2024

Requested by: Jason Koch, Street Crew Lead

Background: This is a service that is required to be done annually for the jetting every 5 years televising.

Funding Source: 10-54500-560 this is Landfill Contracted Work. Not enough in this line item to cover full cost would have to allocate funds from another line item

Bid process completed. Three bids were received as follows:

1. Superior Jetting (Zimmerman MN) \$4,750
(\$400 per hour past scope of quote)
2. Speedy Clean (Menasha) \$6,480
3. Aqualis (Green Bay) \$11,200

Department Recommendation: To accept bid From Speedy Clean. They were the only company of the three to come and physically look at the landfill I believe their bid would be most accurate in doing so.

Financial Impact: \$6,480
