Symons Natatorium board made a motion for Symons Recreation Complex (SRC) to purchase a new pool vacuum that automatically cleans the bottom and walls of the swimming pool. The current one is not working and needs to be replaced. The cost for a new vacuum was approved by the Symons Natatorium Board. Midwest Pool Supply for \$2,500.00. Maintenance and Repairs is the line item expense for this purchase.

**Background:** *(preferred one page or less with focus on options and decision points)*

Symons Recreation Complex current pool vacuum is no longer functioning properly. A new vacuum is needed to vacuum the pool and keep it clean for the users. Pool vacuum was approved in July; current pool vacuum was being held together with some electrical tape. Request for purchase was delayed due to making sure that there were funds available in budget. However, the current vacuum is no longer functioning. There is still money in the Maintenance and Repairs budgeted line item.
