AGENDA ITEM DATA SHEET

Agenda Items: Skid Steer Mounted Snowblower Bids

Meeting Date: Finance – April 16, 2024
Council – April 16, 2024

Requested by: Spencer Reed, Buildings and Grounds Department Lead

Background: It was discovered that the snowblower attachment that was purchased in 2018 is not designed to be ran by a skid steer. Due to this purchasing error the department has been left without an operational snowblower.

Financial Impact: \$10,944.00

Funding Source: Unallocated Funds

Requested Action: Motion to allow the Richland Center Public Works Department to purchase a new skid steer mounted Edge snowblower at the quoted price of \$10,944.00.

Attachment(s): Bid specifications and quotes for new skid steer mounted snowblower
