AGENDA ITEM DATA SHEET

Agenda Item: Consider Sale of Public Works 2011 Zamboni 200

Requested & Presented by: Jasen Glasbrenner

Meeting Date: Public Works Committee on 12-19-2024
Common Council on 1-7-2025

Committee Review:

Background: In 2010, the Parks and Grounds Department purchased a Zamboni 200 Ice Resurfacer at the price of \$15,195.00. The equipment has not been used in recent years and has been used very seldom overall.

The Zamboni 200 has been evaluated for sale; New, the equipment retails at \$15,950.00 and the department was advised by Zamboni Company Ltd. that the equipment should bring a good price as these machines are rarely found used. If the sale is approved, we anticipate a listing of the equipment with Wisconsin Surplus as soon as possible.

The Public Works Department is seeking to sell the 2011 Zamboni 200 to be used in future efforts to upgrade the Public Works equipment.

Department Recommendation: Authorize the sale of the 2011 Zamboni 200.

Financial Impact: Revenue from Sale

Funding Source: N/A

Requested Action:

Public Works: Motion to recommend to the Common Council the approval of the sale of a 2011 Zamboni 200.

Council: Motion to approve the sale of a 2011 Zamboni 200.
