

NOVEMBER 2025 - PARKS MEETING

SENIOR CENTER REPORT BY CHERYL HEFFNER

The last bus trip to the Diamond Jo Casino was on November 5th. I had 45 passengers on the bus at \$35.00 per person and the bus cost at \$1,325.00 the Senior Center made a profit of \$250.00. In 2026 I hope to have the first bus trip to the Diamond Jo on the last Thursday in March.

At this time, I have one person registered for the Islands Trip in January and 1 person registered for the trip to Nashville in October.

Our House had breakfast on November 13th in the Senior Center, and it was very well attended. We had 4 new people attend the breakfast which is very nice because it brings more people to the Senior Center. Our House will take December off from breakfast and resume in January.

Euchre continues to be very popular, and the Senior Center is filled with card players. Many of the Euchre players will eat lunch at the meal-site before they play which helps the meal-site.
