## AGENDA ITEM DATA SHEET

---

**Agenda Item:** Sale of Virnig Skid Steer Mount Snow Blower

**Requested & Presented by:** Jasen Glasbrenner

**Meeting Date:** Public Works on 01-16-2025  
Finance Committee on 02-04-2025 and Common Council on 02-04-2025

**Committee Review:** Public Works on 01-16-2025 - Motion by Melby to recommend to the Finance Committee and Common Council approval to sell the 2019 Virnig V50. Seconded by Walters. Motion carried unanimously.

**Background:** In 2019, the Buildings and Grounds Department purchased a Virnig V50 Model VBWB-25 Loader Mount Snow Blower for approximately \$8,000.00. As this Snow Blower does not fit any equipment currently in the Buildings & Grounds inventory, we cannot foresee use that warrants us keeping it in storage. Research shows the unit may bring between \$6,000 and \$9,000 at auction and the funds could be used for more highly needed equipment for our fleet.

**Department Recommendation:** Authorize the sale of the 2019 Virnig V50 Model VBWB-25 Loader Mount Snow Blower.

**Financial Impact:** Revenue from Sale

**Funding Source:** N/A
