Requested & Presented by: Jasen Glasbrenner

Meeting Date: Public Works on 01-16-2025

Committee Review: Public Works on 01-16-2025 - Motion by Melby to recommend to the Finance Committee and Common Council approval to sell the 1999 Model 942SI snowblower. Seconded by Fruit. Motion carried unanimously.

Background: We currently have two End Loader Snow Blowers and are seeking approval to sell one of them. With our newest model being a 2018 Larue Model D30123, we propose selling our 1999 Fair Model 942SI as we cannot foresee use that warrants us keeping it in storage. According to Fair Manufacturing equipment dealer the unit may bring between \$10,000 and \$15,000 at auction and the funds could be used for more highly needed equipment for our fleet.

Department Recommendation: Authorize the sale of the 1999 Model 942SI – SNOCRETE - Fair End Loader Snow Blower.

Financial Impact: Revenue from Sale

Funding Source: N/A
