Dear Local Business Owner,

On behalf of the Symons Recreation Complex Foundation (SRCF), I invite you to partner with us in supporting the continued growth and improvement of the Symons Recreation Complex in Richland Center.

Over the past two years, more than **\$125,000** from the SRCF has been used to enhance your experience at Symons. The funds came from you, the members of Symons. SRCF has provided new exercise equipment, new pool accessories and various facility improvements. Youth from the community have also benefited. Third graders from the Richland School District and St. Mary's received free swimming lessons. There were 92 youth in the Symons Sharks this season, nearly doubling participants from two years ago. There were also 19 middle schoolers who received free summer memberships. Your support is making a visible impact. **SRCF is especially excited for the future of Symons now that the Richland County Board of Supervisors has approved a new HVAC system, ensuring a more comfortable environment for all who visit.**

Membership has increased from 1,245 in 2023 to 1,879 in 2026, and our annual visits from July 31, 2025 through August 1, 2026 were 74,746! Symons is thriving!

A major goal this year is to initiate the process of designing and constructing family locker rooms within the current footprint of Symons. This effort will make Symons more inclusive to important members of our area: those who care for others and those with special needs. We would also like to renew the existing locker rooms. These are investments which will benefit our entire region and keep Symons a welcoming, state-of-the-art location for health and wellness in our community.

Making this effort even more exciting is that some members of Symons have pledged to match all donations made by the end of November 2026 up to \$50,000! Our goal is to raise \$100,000!

Donors will be recognized for their contributions at the following levels:

Platinum \$5000+, Gold \$2500-\$4999, Silver \$1000-\$2499, Bronze \$100-\$999, White \$1-\$99

Your business name will be proudly displayed according to your giving level, showing your commitment to community health and wellness to all who visit Symons. This is a wonderful opportunity to demonstrate your leadership and dedication to a stronger and healthier Richland County. You can also choose to remain anonymous.

Thank you for considering this opportunity to support a vital community asset. Together, we can ensure that Symons continues to be a place where people of all ages can thrive.

With appreciation,

Alan Lins, President
Symons Recreation Complex Foundation
