Chief Jones, Chief Porter, Devon Rupnow (sheriff's office), Jason Marshall & John Couey (representing EMS & county) and I met to discuss address changes to improve emergency services response. One of the areas with high call volume is to the Edgewater Mobile Home park. Also included in the discussion was the address of the American Legion.

1. Current signage per Google Maps:

2. GIS only acknowledges Bancroft Dr as the road that cuts through the Legion parking lot which leads to the park and includes the main loop but does not show the straight street nor the smaller loop).

3. The American Legion uses the 900 Flag Park Drive as their main address. The front door faces US Hwy 14, however, is only open during large events. The doors facing the flags are used as the everyday entrance. Their mailbox is located near the shed at the back of the building. Permission to use Flag Park Drive was granted by Melinda in 2012(?).

To further complicate the address issue

- Fuller's Milker Center, located on the other side of the Legion has an address of 900 US Hwy 14 W. The small shed behind their building has a registered address of 950 USH Hwy 14 W. While the shed is used by Fuller's the address has not
- The building on the other side of Fuller's is used by the school district and has an address of 1000 US Hwy 14 W.
- Edgewater's lot numbering currently is not in any order due to adding lots in between already established lots.

If we make the Legion change their address to 900 US Hwy 14 W, Fuller's would be asked to use 950 US Hwy 14 W.

Proposal

To facilitate emergency services

- Officially recognize Flag Park Drive on the GIS map. The drive would run from US Hwy 14 to the mobile home park mailboxes. The Legion's address could then remain as is as well as Fuller's.
- Rename the roads in the mobile home park and make people change their addresses. We would not ask them to change their lot numbers.

Bancroft Circle
Bancroft Drive
Bancroft Court
*private home – driveway leads to Bancroft Circle and has its own mailbox.
*park mailboxes
