

CITY OF RICHLAND CENTER - AGENDA ITEM DATA SHEET

Agenda Item: Consider Acceptance of a Sunshade Shelter Donation - Resolution 2025-05

Requested by: DPW Glasbrenner & Director Mieden (presentation by DPW Glasbrenner)

Meeting Date: Finance Committee and Common Council 4/15/2025

Background: Recognizing that a sunshade would significantly improve the visitor experience, the Rotary Foundation of Richland County kindly pledged a financial donation to fund the purchase and installation of a sunshade shelter at the splash pad.

The Parks & Recreation Director, Public Works Director, Park Board, and Public Works Committee worked together to select a shelter design that complements the existing aesthetic of the Aquatic Center and requires minimal maintenance.

Shade Design: 20'x 20' Hip Roof Shade Structure with 4 Posts and 10ft entry height. Shade will have a blue roof with white posts, as shown in the photo below.

Financial Impact: The estimated cost of \$12,400 for the sunshade and concrete slab will be funded by a donation.

Recommended Action: Acceptance of the monetary donation from the Rotary Foundation of Richland County for the acquisition and construction of a sunshade shelter.
