For purposes of public sale, staff wishes to apply the following minimum conditions:

- Advertisement the invitation to bid with The Facts and available media outlets.
- Allow one day during the bid cycle for interested parties to view and inspect surplus equipment.
- Post pictures, descriptions, odometer/hour-meter readings, etc., on the city's website.
- Require that individuals submitting bids do so online only.
- Accept the bid closest to the estimated value with 25% less the estimated value being the lowest bid to be accepted.
- Public bid opening.
- Require that purchased equipment be retrieved within 5 business days of the bid opening.
- Require that all payments be in the form of cashier's check, money order, or cash.
