RE: AERIAL SPRAYING OVER BRAZORIA COUNTY

The Brazoria County Mosquito Control is updating files for the 2022 season of aerial spraying over cities and towns of Brazoria County. We would like your permission "to spray" or "not to spray" over your area. The spray is done during heavy outbreaks of mosquitos by our aerial contract sprayer.

Aerial spraying takes place only after a public notification to inform the citizen of Brazoria County that we will be spraying. There will be notifications of aerial spraying through notices posted at the courthouse. In addition, the notifications can be found on our website, and Brazoria Counties official Facebook and Twitter pages. The flying schedule depends heavily upon landing rate counts, weather and wind conditions.

Our daily spray schedule will be posted on our website.
