

# Textile Recycling Program

## How will this help your community?

Helps your residents recycle more conveniently

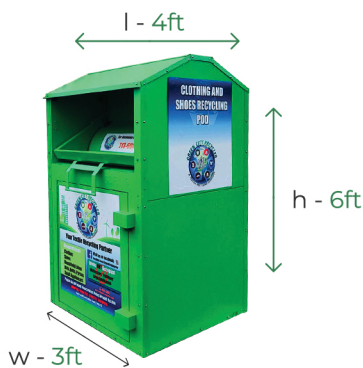

Diverts textiles from reaching our local landfills

Generates monthly dividends for your community. we pay \_\_\_\_\_ for textiles collected

## Zero cost for your community!

### Pod sizes:

**NO FEES CONTRACT**

Pick-up frequency  
once a week to twice a week

In the US, over **3 million** tons of textiles are dumped into landfills each year.

### Who we are:

Green City Recycler is a Houston-based award winning recycling company that recycles clothing, shoes, toys and more. Green City redistributes discarded clothes to places where there is a great need for these items; both locally and globally. Our pods placed in your community offer residents a convenient place to donate their unwanted items.

**Our service is convenient.  
Our impact is far from simple.**
