APPLICATION FOR VARIANCE REQUEST

PLEASE NOTE: The following questions must be answered completely. If additional space is needed, attach extra pages to the application. Contact the City of Richwood at (979) 265-2082 for clarification of terms or for specific zone district requirements.

DATA ON APPLICANT AND OWNER:

Name: STEPHEN VASEK Date: AUGUST 01, 2023
Address: 602 OYSTER CREEK DRIVE
(CELL)
Home Phone: (979) 418-3312 Business Phone: _____

SUBJECT PROPERTY:

Address of property in question: 602 OYSTER CREEK DRIVE
Legal Description of property: RESIDANCE
The subject property is currently zoned _____

PURPOSE OF THE VARIANCE (be specific): I AM WANTING TO ADD A DETACHED

GARAGE APPROXIMATELY 900 sq FT THAT WOULD RUN PARRALLEL TO
PIN OAK STREET (SEE DRAWING A). I WOULD ALSO LIKE TO ADD CULVERTS
TO THE DITCH PARRALLELING PIN OAK STREET TO BE ABLE TO ADD
A CONCRETE DRIVE THAT WOULD SIT IN FRONT OF THE NEW
DETACHED GARAGE (SEE DRAWING B). THE PURPOSE OF THE
VARIANCE IS THAT THE NEW GARAGE PLACEMENT INFRINGES
PAST THE BUILDING LINE ON MY SURVEY.

BEFORE COMPLETING THE FOLLOWING, READ THE NOTICE TO THE ZONING VARIANCE APPLICANTS - PAGE 1

Which exceptional conditions apply to your property that do not generally apply to other properties in your zoning district:

MY PROPERTY IS ON A CORNER LOT. THE PLACEMENT OF THE NEW DETACHED GARAGE WILL BE PARALLEL TO PIN OAK STREET. WE DO NOT HAVE ANY NEIGHBORS THAT WOULD BE ACROSS THE STREET FROM THE DETACHED GARAGE SO THERE SHOULD NOT BE AN ISSUE ABOUT BEING AN EYE SORE.

How do the above conditions prevent reasonable use of your land under the term of the Zoning Ordinance?

N/A

How will the variance improve your use of the property?

IT WILL ALLOW ME TO HAVE MORE STORAGE AND PROTECTED PARKING AS WELL AS MORE DRIVEWAY SPACE.

Are there other properties in your area that have a similar type of improvement?

YES, THERE ARE MANY NEIGHBORS IN THE AREA WITH DETACHED GARAGES.

Will the granting of a variance in the form requested be in harmony with the neighborhood and not contrary to the intent and purpose of the Zoning Ordinance?

THE VARIANCE I AM PROPOSING WILL BE IN GREAT HARMONY WITH THE NEIGHBORHOOD BY ADDING A GREAT LOOKING STRUCTURE TO MY PROPERTY.

Application for Zoning Request

OTHER LAND USE CONSIDERATIONS:

Is the request the least modification possible of the Zoning Ordinance which are in question?
No Yes ___ If yes, explain why the alternative solutions are not feasible:

I (we) certify that all of the above statements and the statements contained in any papers or plans submitted herewith are true and accurate to the best of my knowledge and belief. The work within the request must be carried out within one year of the public hearing or the variance becomes null and void..

I also hereby give permission for the members of the City of Richwood Board of Adjustments and City Staff to access the property in question for the purpose of gathering information to make an informed decision on this variance request.

I have consulted the HUD-FIA Flood Hazard Boundary Map in the above described property and it is not in a designated flood hazard area. (For information only, Singletary Surveying, Inc. assumes no liability for the correctness of the cited map and does not represent Singletary Inc. opinion of the probability of flooding.) As of the date of this survey, the plat hereto is a representation of the property as determined by survey. The lines and dimensions of said property being as indicated by the plat, the size, the location and type of buildings or improvements are of above ground improvements only and are as shown. The above ground improvements shown are those within the boundaries of the property and are set back from the property lines the distances indicated. No excavations were made during this survey to locate buried facilities, utilities, or structures. The encroachments, conflicts, or protrusions are as shown and not necessarily bolded. This is not a valid survey unless accompanied by an original signature and seal. The legal description provided by Singletary Surveying, Inc. is based on the description provided by the title company, owner or person requesting the survey to be performed. Neither the surveyor nor Singletary Surveying, Inc. retains any liability for, or makes no representation concerning the condition of title of the subject property. The research performed on the subject property was gathered by a qualified provider being a Singletary Surveying staff member or other outside source. This Survey is not transferable to additional institutions or subsequent owners.
