

Option #1:

[Beacon Athletics Streamliner 353 3-wheel Line Chalker without Aerosol Attachment](#)

\$569 + \$102.42 (shipping) = \$671.42

[Farm and Fleet Limestone](#)

\$144 per pallet (48 bags per pallet)

-or-

\$3.49 per bag

*No shipping costs as this can be picked up in Dodgeville

Note: Adam said 12 bags should cover the whole season, but a pallet would be best because then we don't have to order every season.

TOTAL (chalker + pallet of limestone):

\$815.42

*To save on shipping costs, streamliner can be picked up at the warehouse in Middleton
