Since we're halfway through the year, I thought I'd give you all an idea of how the Ridgeway Volunteer Library is doing. These are the numbers as of this morning. My goal for the year is to get to 3,000 visitors, and by the look at our numbers, it seems like we will make it!

Visitor tally:

Day	Total People	AM Adults	AM Children	PM Adults	PM Children	Public Computer Use
YEAR TOTAL	1784	890	303	293	298	135
ADULT TOTAL	1183					
CHILDREN TOTAL	601					

Items checked out:

# Adult fiction books	# Adult non-fiction books	# Teen fiction books	# Teen non-fiction books	# Child fiction books	# Child Non-fiction books	# Movies
80	64	14	11	365	126	64
