--	--------------	------------

GUARANTEE: Sealing and Striping: One year guarantee against peeling and fading. All material is guaranteed to be specified and done in a workmanlike manner according to standard practices. Gasoline and oil spillage will soften and break down asphalt sealer and striping. These types of damages will be at the customer's expense. 24-hour Rain Guarantee: Return visits for sealer wash off from rain at no charge. Asphalt and Patch Work: RENU Sealcoating is not responsible for damage to private underground utilities or hidden conditions if the customer fails to give an advance notice of their existence and location. Gasoline and oil spillage will soften and break down asphalt. These types of damages will be at the customer's expense. If the customer directs work with a minimum 1% grade, it is understood that water ponding may occur and is not guaranteed. Expansion cracks and edge cracking where landscaping /backfilling should have been done is not guaranteed.

CARE AND MAINTENANCE: Sealing and Striping: Avoid driving on newly sealed/striped asphalt for 12-24 hours. Asphalt and Patch Work: Avoid driving on new asphalt for 1-2 days, if temperatures are high, 3-6 days; no parking of vehicles over one half ton. New asphalt surface porosity is visible at first, but tire traffic will knead and seal these pores. Over time, weeds may grow through expansion cracks but are easily killed with any commercial weed killer. No guarantee if care and maintenance is not taken.

Terms: Payment is due upon job completion and receipt of invoice. No monthly statements will be mailed. 1.5% monthly late fee will be applied when payment is received after due date [18% annually]. If a collection process takes, customer shall be responsible for all costs including any attorney's fees. All guarantees are void if payment is not made.

The estimate is good for 30 days from this date.
