HONOR YOUR BELOVED PET AND SUPPORT OUR DOG OFF-LEASH AREAS

Are you looking for a special way to honor your furry friend who loves to run and play in our dog off-leash areas? Three Rivers Park District is excited to announce the creation of the Canine Companion Legacy Wall!

These unique tributes will celebrate the lives of beloved loyal companions who brought, or continue to bring joy, to their families and the community. You can honor your special pet with a personalized 4" x 2" bone-shaped plaque displayed on a Legacy Wall, either in the large or small dog section of the off-leash area.

Tribute plaques are available for purchase online, [click here to make your donation](#). Each plaque costs \$100.
