Revised Details:

- More signs directing people to the gym
- Kids are divided into groups in the gym with large signs of age groups on the wall.
- Bigger group leader signs (use this year for stakes by the area outside)
- Speaker and equipment, cords along the all in the gym
- Photo backdrop taped up much heavier, so not to fall.
- Have a cone and "line starts here" sign for pictures with the Easter Bunny
- Surround bench with plants, baskets, décor to spruce up the picture (Bench worked good)
- Have bins to empty in the gym by age group to help keep the hallways open
- Have treat bag table in gym as well at the exit
- Have a donation box for people to drop near the photo booth
- Have permission slips near Easter Bunny photos as well with signs so we can use more pictures
- Combine ages 8-11+ (only 29 kids) and have them search in both areas to spread it out
- Could have more people hiding eggs in the back, a few extra volunteers
- Background Music for when kids come back in from finding eggs during pictures
- Girl Scout Cookies were a hit, might want to set up a little sooner than 5:15pm.
