Lori,

The Wisconsin Department of Administration will be conducting the **2026 Community Development Block Grant (CDBG) Implementation Training** webinar on **Thursday, September 24, 2026, from 1:30 p.m. to 4:00 p.m.** via Microsoft Teams. Registration is required by **September 22, 2026**.

Because your community has been awarded a CDBG grant, the Wisconsin DOA requires that **at least one public employee or elected official from the Village attend this training.**

If it is more convenient, you are welcome to join me at the Delta 3 Engineering office in Platteville to view the webinar together. Otherwise, you may participate from your own office. This training is offered online through Microsoft Teams.

Please let me know who from your Village will be attending and whether you plan to participate from your office or at Delta 3.

Also let me know if you have any questions on how to register.

Thank you.

If you have any questions or need further information, please feel free to contact me.

Cassy Pickel

Administrative Assistant
