Re: Application of Village of Ridgeway, Iowa County,

> Wisconsin, as a Water Public Utility, for Authority to Change its Method of Cost Recovery for Providing Public

Fire Protection Service

Dear Lori Phelan:

On May 19, 2025, the Public Service Commission (Commission) issued its Final Decision in docket 5090-PFP-100 for new rates and rules for the Village of Ridgeway Municipal Water Utility (Utility). On May 20, 2025, the Utility filed a letter stating it has adopted the rates and rules authorized by the Commission and will make the rates effective for service beginning May 27, 2025.

The Commission has placed the new rates and rules on file as Amendment 24. Attached is a copy of the Amendment for the Utility's records. Also attached is a sheet that indicates the schedules that have been amended, deleted, or have remained unchanged as authorized by the Commission's Final Decision. Please refer to this sheet in updating the Utility's copy of the rate file.

The Utility must make the current rates and rules available for public inspection and review at the Utility's office(s) and all bill payment stations pursuant to Wis. Admin. Code § PSC 185.22.

If the Utility does not include the applicable rate schedule on each customer's bill, they must supply each customer with the schedule of rates whenever a rate change becomes effective, and at least once a year in accordance with Wis. Admin. Code PSC § 185.33(1)(f).

The Utility should mark the old rates and rules as superseded and keep them in a separate file. Pursuant to Wis. Admin. Code § PSC 185.19, the Utility must keep a file of its previous rates and rules permanently.
